Voice: 530-224-4949 ∇ Fax: 530-224-4951

ATTENTION FIREWOOD DEALERS

PLEASE MAKE CERTAIN THAT YOUR FIREWOOD SALES PRACTICES FOLLOW CALIFORNIA WEIGHTS AND MEASURES LAWS AND REGULATIONS. THE THREE GENERAL RULES TO FOLLOW ARE:

- 1) MAKE SURE THAT YOU SELL FIREWOOD BY THE CORD OR PORTION OF A CORD (VERY SMALL QUANTITIES OF 1/8 CORD OR SMALLER CAN BE SOLD BY THE CUBIC FOOT).
- 2) THE AMOUNT OF WOOD SOLD TO A CUSTOMER MUST MEET THE ADVERTISED VOLUME. DO NOT "SHORT" YOUR CUSTOMER.
- 3) ISSUE A RECEIPT THAT INCLUDES DATE OF SALE, VOLUME OF WOOD, PURCHASE PRICE AND DEALERS NAME AND ADDRESS.

A CORD EQUALS 128 CUBIC FEET OF WELL-STACKED WOOD. IF YOU SELL A "PILE" OR "PICKUP LOAD" OF WOOD, REMEMBER THAT IT MUST BE REPRESENTED IN TERMS OF CORDS OF WOOD. CALL THE SHASTA COUNTY DEPARTMENT OF WEIGHTS AND MEASURES AT (530)224-4949 IF YOU NEED ADDITIONAL INFORMATION.
