PRESS RELEASE
UPDATE TO ILLEGAL DUMPING CAUGHT ON CAMERA PRESS RELEASE
July 25, 2008

As a result of the press release of July 23, 2008 the District Attorney's "Don't Trash Shasta" tip line 1-866-61-TRASH has received dozens of calls from citizens reporting similar vehicles as the illegal dumping vehicle caught on camera on July 10, 2008.

The District Attorney is happy to report that from these calls a suspect has been identified and the case is currently under investigation. Without the help of citizens who have called identification of the suspect would have more difficult. Once the investigation has been completed further information about the suspect will be made public.

The District Attorney's office is grateful to the concerned citizens who made this identification successful and those who expressed support of the program.
