## **Press Invitation**

Homicide Victims Memorial  
September 23, 2016

---

The Shasta County Crime Victims Assistance Center is organizing our 2nd annual Homicide Victims Memorial on September 23, 2016. This memorial is designed to engage our community in honoring victims lost in tragic and unexpected ways. Redding City Mayor, Redding Police Department, Shasta County Sheriff's Department, Anderson Police Department and California Highway Patrol will be in attendance to discuss the impact this crime has on our community.

This memorial will be a time for families of homicide victims to be honored and recognized. Family Dynamics Resource Center will be distributing necklaces symbolizing the relationship a participant had with their lost loved one and participants will be encouraged to write their loved one's name on a stone to place in HOPES Garden.

The Shasta County District Attorney's Office hosted a Homicide Victim Memorial for Crime Victim's Rights week last year on April 20, 2015. The event was well received by participants and the community was able to remember and honor over twenty homicide victims.

This event will be held in HOPES Garden at the Redding City Hall September 23, 2016 at 9 am. HOPES Garden is a garden dedicated to victims, symbolizing Honoring Our Promise of Everlasting Service, to the community and victims of crime.

We are partnering with the City of Redding, Family Dynamics Resource Center, One Safe Place, local law enforcement and others to increase awareness, engage our community and empower surviving family members of victims.

If you have questions regarding this event please contact the Shasta County Crime Victim Assistance Center at 530-225-5220.

We hope you will join us in honoring victims of Shasta County.
