Meeting Overview:

The meeting was called to order at 3:00 p.m. A quorum was present. Introductions were made.

There was no public comment.

Minutes of the February 20, 2013 meeting were distributed. The word “staff” was added on page 3 and “May” was changed to “March” on page 2, paragraph C. Jeff Gorder moved to approve the amended Minutes; Melissa Fowler Bradley seconded the motion. Motion passed unanimously.

There was no financial report.

Discussion began on Action Items. Jeff Gorder moved to approve the use of \$16,000 in CCP Implementation Funds for training and background investigations. Melissa Fowler-Bradley seconded the motion. Motion passed with one abstention (Rob Paoletti).

FY 13/14 budget projections were presented in a handout. It was pointed out that Conflict Public Defender funds are \$9,863, not \$10,000. District Attorney (DA) reported a caseload increase of 28 percent and heavy courtroom impact. Public Defender (PD) reported increased costs as well. It was proposed to increase both budgets by \$50,000 to \$120,717 each. Rob Paoletti moved to approve the amended budget. Tom Bosenko seconded the motion. Motion passed with one abstention (Melissa Fowler-Bradley).

The committee discussed the Sheriff's out-of-county bed contract for FY 12/13. Of \$500,000 budgeted, \$300,000 has been spent since September 2012. The Sheriff projects all will be spent by June 30. The Sheriff has plans to utilize the state's fire camps at approximately \$18,000 per person per year. State lawyers and County Counsels are negotiating a contract template. No action taken.

The committee discussed the submission of a new Public Safety Realignment Plan for fiscal year 13/14. It was pointed out that a new plan is not required. The committee is interested in updating it at least annually. It was suggested that the date be removed from the cover of the plan, and indicate "Updated date " or "Revised date " whenever changes are made to the Plan. Members agreed to submit Plan revisions to Chief Forman by April 5 and the Plan would be reviewed at the next meeting. The date will be removed from the cover page and a revision date will be added.

The AB 109 Realignment End of Year Report was distributed. General discussion followed. It was suggested that the title of the report be changed to End of Year Data Report. Members would like to see program referrals in future reports. Melissa Fowler-Bradley pointed out that the section on courts is not informative. Julie Hope suggested that the data elements in the Plan should be in the report and perhaps the data in the report should be organized to look like the data list in the Plan. No action was taken.

There were no additional discussion items or operational updates.

Meeting adjourned at 5 pm.

Respectfully Submitted:  
Gayle Hermann
