

NOTICE OF PUBLIC HEARINGS
SHASTA COUNTY AIR POLLUTION CONTROL BOARD

Notice is hereby given that the Shasta County Air Pollution Control Board will conduct a public hearing on November 1, 2016, at 8:30 a.m., or as soon thereafter as may be heard, in the Board of Supervisors Chambers at the Shasta County Administration Center, Room 263, located at 1450 Court Street, Redding, California, for the following items:

(1) To receive public testimony on the proposed adoption of the Northern Sacramento Valley Planning Area 2015 Triennial Air Quality Attainment Plan (Plan) and Triennial Progress Report (Progress Report) as required by Sections 40924(c), 40925(a), 40918.5, and 40918.6 of the *California Health & Safety Code*. The Plan is applicable to the following counties lying in the northern portion of the Sacramento Valley: Butte, Colusa, Glenn, Shasta, Sutter, Tehama, and Yuba Counties.

The Plan and Progress Report summarize the adoption status of feasible control measures listed in the 2012 Attainment Plan and proposes an updated list of control measures for the three-year period of 2016 through 2019. The document also provides useful information on area designations, emission inventories, air monitoring results, transport of pollutants, and public education efforts.

The Shasta County Air Quality Management District (District) has determined that this action on the Plan involves procedures for protection of the environment, which will enhance a natural resource. The action is Categorically Exempt from the California Environmental Quality Act (CEQA) under Section 15308.

The District invites public comments on the Plan, Progress Report, and CEQA exemption. Copies of the referenced documents and supporting materials are available for public inspection at the District Office at 1855 Placer Street, Suite 101, Redding, CA. Office hours are Monday - Friday, 8 a.m. to 5 p.m. Written comments should be sent to Richard W. Simon, Air Pollution Control Officer, at the above address prior to the hearing date. Telephone number is (530) 225-5674.

(2) To discuss and receive public testimony on the 2014, 2015, and 2016 Annual Reports describing the implementation of the Air Toxics “Hot Spots” Information and Assessment Act (Act).

The Act requires any affected facility that manufactures, formulates, or releases to the ambient air any toxic substance listed in the Act to submit a Plan and Report which identified and quantifies such emissions.

Copies of the Annual Reports are available for public inspection at the Shasta County Air Quality Management District office located at 1855 Placer Street, Suite 101, Redding, CA. Office hours are Monday – Friday, 8 a.m. to 5 p.m. Telephone number is (530) 225-5674.

PLEASE NOTE that if you challenge the nature of a proposed action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice or in written correspondence delivered to the appropriate authority at, or prior to, the public hearing.

CLERK OF THE AIR POLLUTION CONTROL BOARD

(PLEASE PUBLISH ONCE ON OR BEFORE **OCTOBER 1, 2016**. THANK YOU!)
