To check whether a particular test is approved for a food safety manager certificate:

<https://www.ansica.org/wwwversion2/outside/ALLdirectoryListing.asp?menuID=8&prgID=8&status=4>

To check whether a particular test is approved for a food handler card: <https://www.ansica.org/wwwversion2/outside/CAPdirectory.asp?menuID=212>

This is a partial list of organizations giving qualified exams. This is not a recommendation. Any other person/company qualified under the provisions could do the testing. Each food facility is responsible for the cost and scheduling for certification of their food manager.
