TOTAL SHASTA COUNTY ASSESSMENTS	108,707	108,845	108,968	109,402	109,729	109,871
---------------------------------	---------	---------	---------	---------	---------	---------

NUMBER OF APPEALS FILED AS % OF TOTAL ASSESSMENTS IN SHASTA COUNTY:	0.07%	0.07%	0.08%	0.11%	0.10%	0.18%
NUMBER OF APPEALS FILED AS % OF TOTAL ASSESSMENTS USING STATE AVERAGE: *	0.76%	0.58%	0.55%	0.42%		

The number of assessment appeals filed is one indicator of the accuracy of the County's assessment program. A low percentage of appeals to total assessments is associated with a greater degree of accuracy by Assessor staff and the property owner's satisfaction with their assessment.

*The State Average comes from the annual budget and workload data compiled by the California State Board of Equalization. Last Updated 07/31/2019
