#### **COUNTY**

Received a presentation from County Executive Office (CEO) Larry Lees on Public Safety in Shasta County. CEO Lees presented options to the Board for a sobering center and providing additional jail beds.

Sheriff Tom Bosenko reported on option to establish sobering center, at current jail in partnership with the City of Redding. Sheriff Bosenko reported a Care Grant, could be used to pay for counselors needed to operate a sobering center.

In response to questions by Supervisor Rickert, Sheriff Bosenko said no modifications would need to be made to the existing jail property other than accommodating a work area for a counselor(s).

In response to questions by Supervisor Moty, Sheriff Bosenko clarified the booking process takes a minimum of five hours. Sheriff Bosenko reported during those five hours, the person is left to sober, then a counselor will reach out to them and encourage them to get into rehabilitation program and would provide transportation to center.

In response to questions by Supervisor Kehoe, CEO Lees stated if the sale of the former Redding Police Building property goes through, the County will be looking to see if the City of Redding is willing to use funding from the sale to help with costs of sobering center.

CEO Lees presented an option to provide additional jail beds by taking a loan of \$200,000 from contingency reserve and requesting \$300,000 from the Community Corrections Partnership Executive Committee (CCPEC), for a total of \$500,000 to contract with other counties to provide 18-20 out-of-county beds to use for one year.

CEO Lees presented additional options to the Board to help fund public safety including: reducing discretionary program funding, loans, and or requesting support from other organizations.

In response to questions by Supervisor Moty, CEO Lees clarified loan conditions and jail options.

By motion made, seconded, (Moty/Morgan) staff were directed to proceed with recommendations for the Board to consider at a future date a sobering center and loan options.

COUNTY SERVICE AREA NO. 25-KESWICK WATER  
SETTING FORTH THE CHARGES AND RATES FOR WATER AND RELATED SERVICES  
ORDINANCE NO. 720

This was the time set to conduct a public hearing to consider enacting an ordinance which increases the bi-monthly water rates for County Service Area (CSA) No. 25-Keswick Water. Deputy Public Works Director Ken Cristobal presented a staff report and recommended approval. The Notice of Public Hearing and the Notice of Publication are on file with the Clerk of the Board.

The public hearing was opened.

Kate Jewitt, did not oppose rate increase, and expressed concerns of high levels of lead in the water.

In response to concerns presented, Public Works Director Pat Minturn reported Public Works staff continues to monitor lead and copper levels which are in compliance and that distribution laterals to individual houses can be the source of increased lead and copper.

Glen Everest expressed concerns, regarding water quality, water costs, and reducing base usage from 3,500 gallons to 3,000.

The public hearing was closed.

Deputy Clerk of the Board Courtney Mathews reported no protest ballots were received.

By motion made, seconded (Moty/Baugh), and unanimously carried, the Board of Supervisors, in the absence of a majority protest, introduced, waived the reading of, and enacted Ordinance No.720 of the Board of Supervisors of the County of Shasta, County Service Area No. 25-Keswick Water Setting Forth the Charges and Rates for Water and Related Services.

11:57 a.m.: The Board of Supervisors recessed.

12:12 p.m.: The Board of Supervisors reconvened.

**REGULAR CALENDAR, CONTINUED****PUBLIC WORKS****COUNTY SERVICE AREA NO. 6-JONES VALLEY WATER  
AGREEMENT: PACE ENGINEERING, INC.  
LEAK DETECTION AND DESIGN SERVICES**

In response to questions by Supervisor Baugh, Public Works Director Pat Minturn reported a smaller water service system does not cost less to run than a larger system.

In response to questions by Supervisor Baugh, Mr. Minturn confirmed summer use rates should be higher for high volume users, while household use remains the same year round. Mr. Minturn reported currently in County Service Area (CSA) No. 6-Jones Valley Water high end users pay a lower rate, which costs the CSA money.

In response to questions by Supervisor Moty, Mr. Minturn confirmed the previously proposed rate increase was going to fix the problem of high end users paying less.

In response to questions by Supervisor Moty, Mr. Minturn confirmed CSAs are dependent special districts are non-profit, independently supported entities that pay their own expenses that are owned and paid for by the rate payers.

In response to questions by Supervisor Rickert, Mr. Minturn advised time of use pumping is not an option for water system because when time of use is greatest, tanks need to be kept full to be prepared for potential fires.

In response to questions by Supervisor Kehoe, Mr. Minturn reported CSA No. 6-Jones Valley Water is in a deficit situation, with a negative fund balance, and currently the County General Fund is supporting this CSA.

In response to questions by Supervisor Moty, Mr. Minturn reported the dark colored water tank located at Elk Trail had to be located on private property, was painted dark at the request of the property owner and causes the water to be a fraction of a degree warmer than water in light colored tanks.

The public comment period was opened.

Peter Scales expressed concerns with water infrastructure, the 225 gallon water use limit, and use of CSA funds. Mr. Scales supported the County working in partnership with the Rural Community Assistance Corporation.

Karl Atkins spoke regarding community meetings and the Grand Jury Report.

Dianne Franklin spoke on water well use, wild fires, and dangers of fire with 225 gallon water limits. Ms. Franklin requested the Board consider a one-year rate increase.

Scott Rowley spoke regarding drought concerns with ordinance limiting water use and expressed he cares about solutions.

Roy Vincent spoke on the Grand Jury Reports, utilizing RCAC, the PACE Engineering, Inc. agreement, water line breaking, and opposed the ordinance limiting water use.

Tracy Hatfield approved of RCAC involvement to bring CSA to solvency and spoke on concerns regarding leak detection, operational costs, the Elk Trail system loan, and the Grand Jury Report.

Nancy Wallen opposed water rate increase because it did not address water leaks and loss. Ms. Wallen stated the water restriction will not help CSA No. 6-Jones Valley Water become solvent and that the CSA has only been insolvent for one year.

Clydene Buchanan spoke regarding leaks in Silverthorn, and concerns with staff and water loss. Ms. Buchanan requested the CSA No. 6-Jones Valley Water Community Advisory Board (CAB) be reinstated.

Ed Condit approves working with RCAC, spoke on water shortage and the Grand Jury Report. Mr. Condit requested the Board grant relief for the ordinance limitations and a less dramatic rate increase.

Joe Lavasik spoke in favor of working with RCAC, expressed a willingness to pay rate increase, concerns of water loss and need to secure grant funding to fix leaking lines.

In response to a request by Supervisor Kehoe, Mr. Minturn recommended the Board proceed with a the RCAC Median Household Income (MHI) study; provide direction to staff regarding existing and potential future rate studies; and approve and authorize the Chairman to sign an agreement with PACE Engineering, Inc. to complete a leak study.

In response to questions by Supervisor Moty, County Executive Officer (CEO) Larry Lees confirmed RCAC will pay for studies but not operational or infrastructure costs.

In response to questions by Supervisor Moty, Senior Deputy County Counsel David Yorton advised a new rate study will need to be conducted prior to proceeding with proposing a new rate increase.

In response to questions by Supervisor Moty, CEO) Lees clarified within a given rate study, the proposed rate is connected to a proposed length of time. CEO Lees reported if we change the length of time for a rate increase a new study will need to be conducted.

In response to questions by Supervisor Moty, Mr. Minturn said he could come back to the Board October 3, 2017 or mid-September with a proposed rate increase using the same rate study, and November if a new rate study is conducted.

Anna Maria Lavasick spoke regarding the rate increase and work projects.

Supervisor Rickert motioned to take the following actions on behalf of County Service Area (CSA) No. 6-Jones Valley Water: Consent to (RCAC) preparation of a Median Household Income (MHI) study; provide direction to staff regarding existing and potential future rate studies; and approve and authorize the Chairman to sign an agreement with PACE Engineering, Inc. in an amount not to exceed \$83,900 to provide leak detection and design services for a three-year term effective date of signing; and direct staff to prepare another rate increase election with current rate study, with a three-year rate increase. Supervisor Baugh seconded the motion. The motion failed by the following vote: Ayes: Rickert and Baugh; Noes: Kehoe, Moty, and Morgan.

By motion made, seconded (Moty/Rickert), and carried, (Supervisor Baugh voted no because it does not resolve the financial issue of CSA No.6-Jones Valley Water) the Board of Supervisors took the following actions on behalf of County Service Area (CSA) No. 6-Jones Valley Water: Consented to (RCAC) preparation of a Median Household Income (MHI) study; provided direction to staff regarding existing and potential future rate studies; and approved and authorized the Chairman to sign an agreement with PACE Engineering, Inc. in an amount not to exceed \$83,900 to provide leak detection and design services for a three-year term effective date of signing; and directed staff to prepare a one-year rate increase election.
