

# Board of Supervisors Meeting Recap: May 31, 2022

Our mission:  
Shasta County meets the needs of our community through collaborative services provided with courteous, efficient professionalism while ensuring public trust.

## MEETING HIGHLIGHTS

The Board voted to approve the amounts allocated to projects under the American Rescue Plan Act (ARPA). Per Board direction, plans are to allocate approximately \$25 million toward a new Correctional Rehabilitation Center and \$2 million each to the following categories:

- Water
- Fire
- Housing
- Business

The remainder would be used for administration of funds, projects, and contracts. You can see the presentation [here](#). You can find more details on the plan on the ARPA webpage [here](#).

The Board received a presentation from the Resource Management Department regarding solar permitting and ongoing efforts to streamline the process. Staff reports they have recently hired a new building inspector with solar experience which could help speed up approval times. Board members requested staff come before them at a later date to discuss certain building codes that the public has concerns about, and to look for additional ways to make the approval process easier and more timely.

The Board voted to approve and adopt a military equipment use policy for the Shasta County Sheriff's Office. The adoption of the policy ensures that the Sheriff's Office will continue to have access to resources currently available.

The Board approved the establishment of a Grant-funded Emergency Drought Relief Program. Provides immediate drought response and financial assistance to property owners through various state grant programs. This program will provide timely delivery of engineering, construction, and water supply service to eligible communities and households.

The Board appointed Al Cathey as Acting Public Works Director after the recent

resignation of Public Works Director Pat Minturn. Recruitment for the position is currently underway.

The Board unanimously voted to consider appointing Pat Minturn as Acting County Executive Officer at the next Board of Supervisors Hearing on June 14th. This appointment of Acting CEO will continue as the County recruits and interviews for a permanent CEO. Mr. Minturn recently announced his retirement as Director of Public Works after many successful years at the helm of that critical department.

The Board approved an agreement with Shasta Community Health Center for healthcare and psychiatric services for the County's Juvenile Rehabilitation Facility.

The Board adopted a proclamation that designated May 2022 as older adult month in Shasta County. Read the proclamation [here](#).

Still to come. At a future meeting, the Board would like to discuss ways to possibly bolster the School Resource Officer (SRO) program which places Law Enforcement Officers on school campuses.

The next scheduled Board of Supervisors meeting is  
June 14, 2022 at 9:00 am

NOTE: Board of Supervisors Meeting Recaps briefly summarize and highlight various topics from the Board's meeting agendas. They do not include every item discussed and/or on the agendas. This recap is provided by County staff as a public service and is not an official record of Board action. The official record of Board action is reflected in the minutes of Board of Supervisors meetings, which are approved by the Board and are available for viewing after Board approval, as well as in official documents approved by the Board, such as resolutions and ordinances. Should there be any inconsistency or conflict between the meeting recaps and the official record of Board action, the official record shall control. Board agendas, minutes, and full meeting recordings are available on the Board of Supervisors webpage: <https://www.co.shasta.ca.us/index/bos>
