Due to the COVID-19 public health emergency, the County of Shasta is adapting the way that Shasta County Assessment Appeals Board meetings are conducted. Modifications have been made to protect public health while still encouraging engagement from the public. Reasonable accommodations will be made for individuals with disabilities, with any doubt being resolved in favor of accessibility.

In light of recent actions by the State, and the continuing increase of COVID-19 cases in Shasta County, beginning with the November 10, 2020 meeting and until further notice, participation in the Assessment Appeals Board by members of the public is limited to telephonic or virtual access. If you have any questions, please contact the Clerk of the Board at (530)225-5550.
