Agenda Item	Discussion	Action	Individuals Commenting
1. Welcome and Introductions	Carrie Jo Diamond read the mission statement, welcomed everyone to the meeting and asked attendees to introduce themselves.		Carrie Jo, Stand Against Stigma Coordinator CES
2. Guest Presentation	Julie Driver from KIXE came to propose a potential de-stigmatization project and collaboration to bring the documentary, “God Knows Where I Am.” She said it would be aired on KIXE and would like to do a community event to raise awareness about homelessness and severe mental illness. The committee viewed that trailer for the film and had a discussion about the pros and cons of partnering on the project. The majority of the committee felt that there wasn’t enough information to make an educated decision and wanted to have a screening of the full documentary before making a commitment. The grant deadline wouldn’t allow for this to happen and the committee decided to decline participation in the project.	More information is needed to make a decision.	Julie Driver and Melanie Corry, KIXE All committee members present.
