

Did You Know...

an estimated 15,000 Shasta County residents with incomes up to 400% of Federal Poverty Level (family of four making between \$58,875 - \$94,199) will qualify for Premium Assistance for private health insurance through the state's mandated health exchange?

Exchange Plans

Covered California, the state's mandated health exchange, will offer four different health plan levels - platinum, gold, silver and bronze. These plans will offer a range of premium and benefit levels. Customer share of costs will range from 10% to 40%.

Tax credits and subsidies will be available to offset premiums.

Visit coveredca.com to compare plans.
