

Get Covered

Access to quality health insurance is coming soon....

What this means for you:

- The Affordable Care Act requires most people to have health insurance by January 1, 2014.
- Low- and no-cost health insurance programs have expanded to include many Shasta County adults without children.
- A variety of plans and benefits will be available to choose from. Income tax credits and subsidies to reduce premiums are available for:
 - Single adults with an annual income up to \$45,960*
 - Families of all sizes, for example a family of four can have an annual income up to \$94,200*

Income tax credit or subsidy depends on family size and income.

**Speak to an enrollment counselor to find out if you qualify for income deductions.*

Keep your family healthy. Get covered today.
