CURRENT SITUATION		
Situation Summary:	<ul style="list-style-type: none"> We have seven new cases today. Three had symptoms, two did not, and two are still under investigation. Two are hospitalized. They are a teenage girl, a woman in her 20s, two men in their 40s, a woman in her 40s, a man in his 50s and a woman in her 50s. The number of hospitalized patients has more than tripled in the past three days, which means that people are getting very sick from this disease. Please do your part by wearing a mask while in public, maintain six feet of physical distancing from anyone who doesn't live in your house, stay home when you don't feel well, and get tested. Anyone can be tested for COVID-19. If you have symptoms, contact your healthcare provider or call (530) 225-5591 to access testing in Redding or the Intermountain area. People with or without symptoms can sign up for testing at Shasta College by going to https://lhi.care/covidtesting. Appointments are required.
