CURRENT SITUATION			
Situation Summary:	<ul style="list-style-type: none"> We have eight new cases today. Six had symptoms and none are hospitalized. They are a man in his 20s, a woman in her 30s, two men in their 30s, a man in his 40s, a woman in her 50s and two women in their 60s. The State of California recently changed their recommendation about releasing individuals from isolation. Patients are now asked to isolate for 10 days from the start of symptoms. Patients should also have improving symptoms and be fever-free without the use of medication for three days before ending isolation. Learn more at https://www.cdc.gov/coronavirus/2019-ncov/hcp/disposition-in-home-patients.html. Anyone can be tested for COVID-19. If you have symptoms, contact your healthcare provider or call (530) 225-5591 to access testing in Redding or the Intermountain area. People with or without symptoms can sign up for testing at Shasta College. Go to https://lhi.care/covidtesting. Appointments are required.
