<b>416</b>	<b>19,468</b>	<b>19,723</b>	<b>7</b>

### CURRENT SITUATION

- We have five new cases today. Four had symptoms and one is hospitalized. They are a boy under 13, a man in his 20s, a man in his 40s, a man in his 50s and a man in his 80s.
- COVID cases have been identified all over Shasta County. This map and chart show the rates of cases for the various regions of Shasta County. A rate is the number of cases per 100,000 residents.
- Tomorrow's media briefing will include several school representatives, who will discuss plans for the reopening of school. That meeting is broadcast on the Shasta County Health and Human Services Agency's Facebook page live at 11 a.m., and will also

be available for viewing after the live presentation on Facebook, YouTube and ShastaReady.org.

- Anyone can be tested for COVID-19, with or without symptoms. Go to [www.ShastaReady.org](http://www.ShastaReady.org) and click on "Get tested" to determine the best option for you.

Region	Rate per 100K
Shasta Lake	150.6
Palo Cedro	141.2
Redding	131.0
Anderson/ Cottonwood	167.3
East County	47.3
West County	55.6
