### CURRENT SITUATION

- We had 8 new cases on Wednesday. All had symptoms and none are hospitalized. They are:
  - Three women and three men in their 20s
  - One woman in her 30s
  - One man in his 40s
- We are sorry to have to report two deaths today. The patients were a woman in her 60s and a man in his 50s.
- One of the challenges of having so much information at our fingertips is the ability to tell fact from fiction. The World Health Organization has some tips on [how to report misinformation online](#), along with some [mythbusters](#) about COVID-19.
- Anyone can be tested for COVID-19 and same-day appointments are often available for people with and without symptoms. Go to [ShastaReady.org](#) and click “Get tested” to find the best option for you.
