

NEWS ADVISORY

FOR IMMEDIATE RELEASE

Date: March 28, 2020

Contact: Kerri Schuette, Health and Human Services Agency spokesperson, 530-209-6284

A Shasta County resident who has been hospitalized in Sacramento County for other health issues has tested positive for COVID-19. It is believed that he contracted the virus in an area with known community transmission.

The patient is a man in his 60s. The Shasta County Health Officer and communicable disease team are working to identify close contacts and implement necessary quarantine orders.
