INFORMATION:

Death records have been maintained in the California Department of Public Health Vital Records since July 1, 1905.

The name required on Vital Records (see Items 1C, 6C, 7C, 9C, and 12C) is the name given at birth, or a name received through adoption, court-ordered name change, or naturalization. AKA's (Also Known As) and assumed names cannot be entered as the legal name on the death record.

INSTRUCTIONS:

1. As of July 1, 2003, **ONLY** individuals who are authorized by Health and Safety Code Section 103526 can obtain a Certified Copy of a Death Record. (Page 1 identifies the individuals who are authorized to make the request.) All others may receive a Certified Informational Copy which will be marked, "Informational, Not a Valid Document to Establish Identity."
2. Complete a separate application for each death record requested.
3. Complete the **Applicant Information** section on Page 1 and provide your signature where indicated. In the **Decedent Information** section, provide all the information you have available to identify the death record. If the information you furnish is incomplete or inaccurate, we may not be able to locate the record.
4. **SWORN STATEMENT:**
 - The authorized individual requesting the certified copy must sign the attached Sworn Statement, declaring under penalty of perjury that they are eligible to receive the certified copy of the death record, and identify their relationship to the registrant (person listed on the certificate) – the relationship must be one of those identified on Page 1. **PLEASE NOTE: Only one notarized sworn statement is required for multiple certificates requested at the same time; however, the sworn statement must include the name of each individual whose certificate you wish to obtain and your relationship to that individual.**
 - If the application is being submitted by mail, the Sworn Statement **must be** notarized by a Notary Public. (To find a Notary Public, see your local yellow pages or call your banking institution.) **Law enforcement and local and state governmental agencies are exempt from the notary requirement.**
 - A Sworn Statement notarized by a foreign notary must have an Apostille attached. An Apostille is a certificate that authenticates a document for use in another country. Foreign notarizations obtained from an Ambassador, Minister, Consul, Vice Consul, or Consular Agent of the United States, or from a Judge of Court of record having a seal in a foreign country do not require an Apostille.
 - If the application is being submitted in person, the Sworn Statement **must be signed in person at the counter and does not have to be notarized.**
 - You do not have to provide a Sworn Statement if you are requesting a Certified Informational Copy of the death record.
5. Submit \$24 for **each** copy requested. If no death record is found, the \$24 fee will be retained for searching for the record (as required by law) and a "Certificate of No Public Record" will be issued to the applicant. Indicate the number of copies you want and include the correct fee(s) in the form of a personal check or postal or bank money order (International Money Order for out-of-country requests) made payable to **Shasta County Public Health.
