EBT Customer Service phone number: 1-877-328-9677 (this is the **only** customer service phone number for EBT in California. Any other phone number you are asked to call for EBT is likely a scam to steal your benefits. The EBT Customer Service phone number is on the back of your EBT card.

EBT client web site: www.ebt.ca.gov.

TTY (Telecommunications Relay Services for Hearing/Speech Impaired 1-800-735-2929.

You can get your cash aid by EBT or direct deposit; it's your choice! Tell your county worker which way you want to receive your cash aid.

You can switch from EBT to direct deposit or from direct deposit to EBT whenever you want. Tell your county worker and they will give you instructions. If you cannot use the EBT card or any part of the EBT system because of a disability, language limitation, lack of access, or other barrier, tell your county worker and they will determine whether you qualify for different ways to get your cash aid.

If you get your cash aid on the second or third day of the month, you may be able to get your cash aid on the first of the month, if you have a hardship. Tell your county worker why you need to receive your cash aid on the first of the month. If you get your cash aid by direct deposit, you will always receive your cash benefits on the first of the month.

If you have your EBT cash benefits taken out of your account due to electronic theft and you had your EBT card in your possession at the time of the theft, call (877) 328-9677 to cancel your EBT card immediately and contact your county worker. The benefits might be replaced if certain requirements are met.

Remember: CalFresh benefits are always issued on your EBT card and you should never be charged a fee when making a CalFresh purchase.

BEWARE OF EBT scams. A scam is the act of deceiving or misleading a recipient to give someone their account information that is then used to clone the recipient's card and steal the recipient's benefits. Scams happen by phone call, text message or website.

No one from the county, state, or federal government will ever ask you for your Personal Identification Number (PIN). Cashiers and grocery clerks will never ask you for your PIN. Keep your EBT card number and PIN secret.

Do not send photos of your EBT card or other forms of identification to anyone.

Below is information about EBT and direct deposit to help you choose which way you want to receive your cash aid.

IF YOU CHOOSE EBT

You can get cash by withdrawing at ATMs and by asking for cash back when you pay for purchases.

ATMs that are not surcharge free can charge you up to \$4 or more for each withdrawal. These fees add up quickly.

There is a map of surcharge free ATMs at <https://www.ebt.ca.gov/locator/index.html#/locator.page>. There is also a list of surcharge-free banks at www.ebtproject.ca.gov/Library/Cash_Access.pdf.

If you lose your EBT card or someone steals it, call customer service at (877) 328-9677 right away. A customer service representative will cancel your EBT card and help you get a new one. If benefits are taken by someone else before you can call customer service, your benefits will not be replaced.

The EBT system records where you use your card to withdraw cash and pay for purchases, but it does not record what you buy. You can review your transactions by calling (877) 328-9677 or to view your EBT account, go online to the EBT Client Website. Create a user name and password at <https://www.ebt.ca.gov/cardholder/#>.

IF YOU CHOOSE DIRECT DEPOSIT

You can find your bank's ATMs by calling your bank's customer service number, visiting their website or by downloading their application onto your smart phone.

If you lose your ATM card or someone steals it, call your bank right away. Your bank will cancel your card and send you a new card. If someone steals and uses your card, you might lose some or all of the money spent. Contact your bank to find out more.

Your bank records where you use your ATM card to withdraw cash and pay for purchases. You can review your transactions on your monthly statement, by visiting your bank's website or by calling your bank's customer service line.

If you want to purchase eligible food items and the POS device is not working or there is not one at the store, the cashier will fill out a paper voucher. Some merchants like mobile vendors do not have POS devices. The cashier will write in your EBT Card number and the amount you are spending. **DO NOT** give the cashier your PIN. The cashier will call to see if you have enough benefits in your account to buy the food. If there is enough in your account, you will be asked to sign the voucher and will be given a copy of it. It is very important to keep this copy so you can subtract what you spent from the balance shown on your last EBT receipt. This will give you the current amount in your account.

You cannot use a voucher to get money from your cash benefits account.

DO NOT...

- Keep your card and PIN together.
- Write your PIN on your card.
- Damage or bend your card.
- Write on or scratch the black stripe on the back.
- Leave your card laying around.
- Put your card near magnets, TVs, DVD players, CD players, stereos.
- Leave your card in the sun, like on the dashboard of a car because it will melt up and not work.
- Throw your card away, even if you move. You will use the same card every month as long as you receive benefits.

ATM Safety Tips

- Always put your card in a safe place after using it.
- Have your EBT card ready.
- Choose a well-lit ATM in a place where you feel safe (like inside a store).
- Stand so that no one can see the PIN you use.
- Count your money if you feel it is safe.
- Put your cash, card, and receipt away quickly.

If your card is lost or stolen, call Customer Service right away. They will put a lock on your card and tell you how to get a new card. It's important that you call Customer Service as soon as possible! It may take up to seven business days to get a new card.

Surcharges

A surcharge is a service fee that some stores and banks may charge you each time you get cash benefits with your EBT Card. Before you use your card, look for a notice telling you about this surcharge on the ATM screen, or on a sign near the POS device in stores. If you do not want to pay a surcharge, you can choose another location by looking on www.ebt.ca.gov, texting as directed on this pamphlet or checking with your local welfare department to find out where you can get your cash without paying a surcharge.

Direct Deposit

All counties have direct deposit. You can choose to have your cash benefits sent directly into your personal bank or credit union account instead of using EBT. Direct deposit is free. Tell your county welfare department that you would like direct deposit.

KEEP THIS FOR YOUR RECORDS

What you need to know when you apply for and enroll in Medi-Cal

When I apply for Medi-Cal, how will my information be used?

County social services offices and/or Covered California will ask for personal information about you to decide if you, or a person you are responsible for, qualify for Medi-Cal benefits. You must give this personal information to get Medi-Cal benefits.

The personal information gathered about you may be used in the following ways:

- By Covered California and the county social services office to find out if you are eligible for Medi-Cal or enrollment into Covered California.
- By the State’s administrative vendors to process claims and/or premium payments and to issue Benefits Identification Cards (BICs).
- By the United States Department of Health and Human Services for audits and quality control reviews and to verify Social Security Numbers (SSNs).
- To verify immigration status with the Department of Homeland Security (DHS), if required. Information shared with DHS cannot be used for immigration enforcement unless you are committing fraud.
- By medical services providers and Health Maintenance Organizations (HMOs) to confirm that you qualify for services.
- To identify other health insurance coverage and to recover costs when necessary. In other ways, but only if required by law.

To read about your privacy rights and Medi-Cal, see the Department of Health Care Services Notice of Privacy Practices. You can find it at:
www.dhcs.ca.gov/formsandpubs/laws/priv/Pages/NoticeofPrivacyPractices.aspx

What are my rights when I apply for Medi-Cal?

1. You have a right to fair and equal treatment regardless of race, color, national origin, religion, age, sex, sexual orientation, gender identity, marital status, political beliefs, veteran’s status or disability.

You have a right to file a complaint if you think that the Medi-Cal program has discriminated against you or has failed to provide the reasonable accommodations required by state and federal law.

You can make a complaint by calling the Department of Health Care Services (DHCS), Office of Civil Rights at 1-916-440-7370 (TTY: 1-916-440-7399) or by going online at: www.dhcs.ca.gov/Documents/ADA_Title_VI_Discrimination_Complaint_Form.docx

2. You have the right to be evaluated to see if you may be eligible for any Medi-Cal program.
3. You have the right to information about the Medi-Cal program and help applying for Medi-Cal.
4. You have a right to an interpreter if you need help applying for Medi-Cal, have questions, or have difficulty speaking, reading or understanding English.
5. You have a right to a face-to-face interview with a county social services worker.
6. If you think you are disabled, you can ask that Medi-Cal review your application to see if you qualify for coverage for disabled persons.
7. If you received health services in the three months before the month of your application, you have a right to be evaluated to see if you are eligible for Medi-Cal to pay for those services. This is called *retroactive eligibility*. Contact your county social services office to find out more or ask for retroactive eligibility.
8. You have a right to be told in writing whether you qualify for Medi-Cal or whether there are any changes to your eligibility status.
9. You have a right to have all the information you give to the county social services office or Covered California kept confidential. You can look at the personal information during your county social service office's regular office hours.
10. You have a right to an "immediate need" Medi-Cal card if you are eligible and have a medical emergency or you are pregnant.
11. You have a right to get Medi-Cal while waiting for your immigration status to be verified, if you meet all other eligibility requirements.
12. You have a right to choose the Medi-Cal health plan you want if there is more than one Medi-Cal plan offered in your county of residence.
13. By giving Medi-Cal past medical bills that you still owe, you can lower your Share Of Cost (SOC), if any. For more information about SOC, please contact your county social services office.
14. If your property counts toward qualifying for Medi-Cal benefits, you have the right to reduce your property to meet the Medi-Cal property limit by the last day of the month that you applied for Medi-Cal. The county social services worker can tell you more information about the property limit and meeting property requirements.
15. If you, or your spouse, enter a long-term-care facility on or after January 1, 1990, you and your spouse have the right to be told by the Medi-Cal program the amount of separate and community property you can keep and still be eligible for Medi-Cal.
16. You have a right to a state hearing if your application for Medi-Cal benefits has not been timely determined. Medi-Cal is required to determine your eligibility within 45 days of the date of your application, or 90 days if the basis of your eligibility is a disability, unless you have been asked to provide additional information and have not yet done so.

- If you want a state hearing on the timeliness of your Medi-Cal eligibility determination, you must ask for it. You may ask for a hearing on the timeliness of your Medi-Cal eligibility determination any time after the 45th or 90th day has passed.
 - You can ask for a hearing by
 - 1) contacting your nearest county social services office; 2) calling the Department of Social Services at 1-855-795-0634 or TDD 1-800-952-8349; or 3) making the request in writing to your county social services office. You may complete the back section on a Notice of Action (form NA Back 9) to request a hearing and send the form, or other written request, to your nearest county social services office. The form is available through your county social services office or at www.dss.cahwnet.gov/Forms/English/NABACK9.PDF.
17. You have a right to a state hearing if you are not satisfied with decision by the local county social services office, DHCS, or Covered California, except relating to the Health Insurance Premium Payment (HIPP) program. HIPP is not an entitlement program; therefore, there are no appeal rights for HIPP.
- If you want a state hearing to appeal the decision, you must ask for it within **90 days** of the date the Notice of Action (NOA) was given or mailed to you.
 - If you do not get a NOA, you must ask for a hearing within **90 days** from the date you discovered the action or inaction you are not satisfied with unless the inaction is due to a delay in determining your application for Medi-Cal benefits.
- You can ask for a hearing by
 - 1) contacting your nearest county social services office; 2) calling the Department of Social Services at 1-855-795-0634 or TDD 1-800-952-8349; or 3) making the request in writing to your county social services office. You may complete the back section on the NOA (form NA Back 9) to request a hearing and send the form, or other written request, to the location or fax number on the form. You may also visit your local county social services office and submit your request for appeal. The form is available through your county social services office or at www.dss.cahwnet.gov/Forms/English/NABACK9.PDF.
18. You have a right to review your Medi-Cal file and all Medi-Cal program rules and regulation manuals that were used to decide if you are eligible for Medi-Cal.
19. You have a right to information about these programs and help getting these services:
- Child Health and Disability Prevention Program
 - Special Supplemental Food Program for Women, Infants, and Children
 - Personal Care Services Program
 - Early and Periodic Screening, Diagnosis and Treatment Program
 - Family Planning Access Care and Treatment Program

20. You can talk to a social worker or county social services worker about other public or private services or resources such as CalFresh and CalWORKs.

What are my responsibilities if I get Medi-Cal?

You must tell your county social services worker about any of the following changes that have occurred within 10 days of the change:

1. You or a family member in your household has a change in income. This applies if the income goes up or down or starts or stops. This includes income from the Social Security Administration (SSA), loans, settlements, employment, unemployment and any other source.
2. You change your home or mailing address.
3. A person moves into or out of your home, whether or not the person is related to you or your family. This includes newborns and foster children.
4. You or a family member in your household gives birth, becomes pregnant, or ends a pregnancy.
5. You, your spouse, or any family member in your household enters or leaves a nursing home or a long-term-care facility.
6. You receive, transfer, give away, or sell real or personal property (including money), or open or close any bank accounts. This requirement only applies if property is counted for the Medi-Cal program you are enrolled in or are being evaluated for. You must also report if someone gives you or a family member in your household things such as a car, house or insurance payments.
7. You have expenses paid for by someone else.
8. Your or a family member in your household gets a job, changes jobs or no longer has a job.
9. You have a change in expenses related to your job or education, such as child care or transportation.
10. You or a family member in your household, including children, becomes physically or mentally disabled.
11. You or a family member in your household applies for or receive disability benefits with the SSA, Veterans Administration or Railroad Retirement.
12. You or a family member in your household who is applying for or getting Medi-Cal has a change in citizenship or immigration status.
13. You or a family member in your household has a change in health insurance coverage.
14. If you are enrolled in the Medi-Cal program for former foster youth, tell your worker if your home or mailing address changes. You do not need to tell your worker about other changes, such as changes to your income, job, or expenses.

You also must:

1. Give proof that you are a resident of California, when you are asked for it.
2. Declare your citizenship or immigration status, when you are applying for Medi-Cal.
3. Give a Social Security Number (SSN) for anyone who is applying for Medi-Cal benefits.
 - If you are a United States (U.S.) Citizen, a U.S. national, or a person with satisfactory immigration status, you must provide an SSN. If you do not have one, you must apply for an SSN and give the number to the county social services office within 60 days of your application.
 - You can get help applying for an SSN from the county social services worker. You must work with the Social Security Administration (SSA) to clear up any questions that arise or your Medi-Cal will be denied or stopped.
 - If anyone on your application who otherwise qualifies for Medi-Cal does not have a satisfactory immigration status, he or she can apply for restricted Medi-Cal benefits without giving an SSN.
4. Apply for other income or benefits you or any family member in your household are entitled to, unless there is good cause for not applying. This includes pensions, government benefits, retirement income, veterans' benefits, annuities, disability benefits, Social Security benefits (Old Age, Survivors and Disability Insurance) and unemployment benefits. This does not include public assistance benefits such as CalWORKs or CalFresh.
5. Apply for Medicare, if you are eligible. Individuals are eligible for Medicare if they are blind, disabled, have End Stage Renal Disease, or are 64 years and 9 months of age or older. You are responsible for telling your providers that you have both Medi-Cal and Medicare coverage.
6. Apply for and enroll in any health insurance that is available to you and your family at no cost.
7. Report to the county social services office and the health care provider any health care coverage or insurance that you have or are entitled to use, including Medicare. If you willfully do not give this information, you may be billed by your provider and be guilty of a crime.

You understand that:

1. You must use your other health care plan (such as Kaiser, TRICARE or a Medicare HMO) for medical care if you have other health insurance that covers that service. Medi-Cal may not pay for any services that are covered by other insurance.
2. If you dispute that you have other health coverage, you can either: 1) contact your local county social services worker; 2) call 1-800-541-5555; or, 3) complete the other health coverage removal form on the DHCS website at <http://dhcs.ca.gov/ohc>.
3. If you, or any family member in your household, obtain money from a legal settlement for injuries, including medical expenses that Medi-Cal paid for, Medi-Cal is entitled to be reimbursed from the medical expense portion of the settlement.
4. If you do not make a choice about how you want to get your benefits, you and family members in your household may be placed in a Medi-Cal health plan near your home.
5. You must sign your Benefits Identification Cards (BICs) and use it only to get necessary health care for yourself or eligible family members.
6. You must take your BIC to your medical provider when you are sick or have an appointment. In emergencies when you do not have your BIC, you must get the BIC to the medical provider as soon as possible.
7. You must tell DHCS at <http://dhcs.ca.gov/pi> when Medi-Cal paid for medical services you received that were the result of an accident or injury caused by another person. This includes a work place injury when a workers' compensation claim may be filed.
8. You must cooperate with the State or county to establish paternity and identify any possible medical coverage that you or your family may be entitled to through an absent parent, unless you are pregnant.
9. You must cooperate with the State if the quality control review team chooses to review your case. If you refuse to cooperate, your Medi-Cal benefits will be stopped.
10. If you don't apply for or keep no-cost health coverage or state-paid coverage, your Medi-Cal benefits and eligibility will be denied or stopped.
11. If you do not give necessary information or if you give information that you know is false, your Medi-Cal benefits may be denied or stopped. Your case may also be investigated for suspected fraud.
12. The information you give when applying for Medi-Cal will be checked by computer with facts given by employers, banks, SSA, Internal Revenue Service, Franchise Tax Board, social services and other agencies. This is to confirm income, citizenship, satisfactory immigration status, tax information and other related information to see if you and your family members in your household qualify for health insurance. You have the right to give proof to your county social services worker and/or Covered California to correct any wrong information.

13. Any changes in your information or the information of any family member in your household may affect the eligibility of other household members.
14. Only persons who are applying for Medi-Cal must give their SSN and information about their immigration or citizenship status. People who are not applying for Medi-Cal are not required to give an SSN or proof of immigration or citizenship status. You may choose to give a non-applicant's SSN to help find if other family members qualify.
15. Persons who do not have satisfactory immigration status and who otherwise qualify for Medi-Cal can apply for restricted Medi-Cal benefits without applying for or giving an SSN.
16. Information about a person's immigration status given on the Medi-Cal application is kept private and secure, as required by law.
17. Based on your income, you may have to pay a monthly premium for some Medi-Cal programs. For other programs you may have to pay some of the cost depending on your monthly income. If you have Medi-Cal with a SOC, you may have to pay or promise to pay for your medical expenses each month, up to the amount of the SOC, before Medi-Cal will pay for services.
18. If you do not report changes to your personal information right away, and then receive Medi-Cal benefits that you do not qualify for, you may have to repay DHCS.
19. You, or any family member receiving Medi-Cal, must **not** be getting public assistance from another state.
20. If you are receiving Medi-Cal based on disability and you apply for disability benefits from SSA, and SSA denies your disability claim, your Medi-Cal may be stopped.
 - If you appeal your SSA denial right away, you will keep getting Medi-Cal until SSA makes a final decision.
 - If SSA approves your appeal, you will keep getting Medi-Cal benefits.
 - If SSA denies your appeal, then your Medi-Cal benefits may stop.
21. As a condition of Medi-Cal eligibility, the State is automatically assigned all rights to medical support and payment for medical services for you and any eligible persons you have legal responsibility for.
22. If medical support is court-ordered from an absent parent for your children, the insurance carrier must allow you to enroll and must provide benefits to your children without the absent parent's consent.
23. Medi-Cal providers cannot collect private insurance co-payment, co-insurance or deductibles from you unless the payment is used to meet your Medi-Cal SOC, co-payment or both.
24. When you apply for Medi-Cal you will be evaluated to find out if you qualify for other medical assistance programs, including the HIPP Program.

25. If you have other health insurance coverage, you may only use Medi-Cal for services not covered by the other health care plan. Your Medi-Cal provider must verify that the service is not covered before billing Medi-Cal.
26. If you are admitted to a nursing facility and you do not intend to return home, the State may put a lien against your property.
27. After your death, the State must seek reimbursement from your estate for all Medi-Cal services you received after age 55 (including premiums paid on your behalf). This does not apply during the lifetime of your surviving spouse or registered domestic partner or if you are survived by a child under age 21, or by a child of any age who is blind or disabled (as defined by the federal Social Security Act), or if the recovery would create a hardship for your heirs. Please inform your heirs of this potential collection activity.
28. If you leave assets at the time of your death, when your surviving spouse or registered domestic partner dies, the State has the right to claim against your surviving spouse's or registered domestic partner's estate or against any recipient of those assets. Recovery is limited to the amount of Medi-Cal benefits paid on your behalf or the value of assets you own at the time of death, whichever is less.
29. The State may seek reimbursement from your estate for services you received (including premiums paid on your behalf) prior to your 55th birthday if you were an inpatient in a nursing facility, intermediate care facility for the mentally retarded, or other medical institution. For more information please contact your county social services worker or go to DHCS's website at <http://dhcs.ca.gov/er>.

JENNIFER KENT
DIRECTOR

State of California—Health and Human Services Agency
Department of Health Care Services

EDMUND G. BROWN JR.
GOVERNOR

Notice: Medi-Cal beneficiaries will receive Internal Revenue Service Form 1095-B.

Dear Medi-Cal Recipient:

The Affordable Care Act (ACA) may require most people to have Minimum Essential Coverage (MEC) health insurance to meet the ACA's individual responsibility requirement in order to avoid a tax penalty. This includes individual market policies, job-based coverage, Medicare, Medi-Cal, Supplemental Security Income (SSI), California Work Opportunity and Responsibility to Kids (CalWORKs), Covered California plans, TRICARE, and certain other coverage.

Per the Internal Revenue Code, the Department of Health Care Services (DHCS) will issue Internal Revenue Service (IRS) Form 1095-B to all Medi-Cal beneficiaries by January 31st of each year beginning in January 2016. Form 1095-B will list the months of Medi-Cal coverage you had that were considered MEC during the previous calendar year. You will use Form 1095-B as proof to report health coverage while filing your taxes with the IRS. DHCS will issue one Form 1095-B to every adult or child who received Medi-Cal each year. This means you will receive multiple forms if other people in your family are also covered under Medi-Cal or Covered California.

If you receive Medi-Cal or CalWORKs through the county, to ensure Form 1095-B contains the correct information, please contact your county human services agency to report changes to your address, income, tax filing status, or family size. For a complete list of county human services agencies, please visit <http://dhcs.ca.gov/COL>.

Important: SSI recipients: If you receive Medi-Cal through SSI, please contact the Social Security Administration at <https://secure.ssa.gov/ICON/main.jsp> to report any changes. Failure to report changes may result in delays and inaccurate information on your Form 1095-B.

If you have any questions about this notice, or if you need additional information regarding Form 1095-B, please visit the DHCS website at <http://dhcs.ca.gov/1095> or call 1-844-253-0883 / (TTY) 1-844-357-5709.

Medi-Cal Services for Children and Young Adults:

Early & Periodic Screening, Diagnosis & Treatment Mental Health Services

This notice is for children and young adults (under age 21) who qualify for Medi-Cal EPSDT services and their caregivers or guardians

What are EPSDT Services?

- EPSDT mental health services are Medi-Cal services that correct or improve mental health problems that your doctor or other health care provider finds, even if the health problem will not go away entirely. EPSDT mental health services are provided by county mental health departments.
- These problems may include sadness, nervousness, or anger that makes your life difficult.
- **You must be under age 21 and have full scope Medi-Cal to get these services.**

How to get EPSDT Services for yourself (under age 21) or your child

Ask your doctor or clinic about EPSDT services. You or your child may receive these services if you and your doctor, or other health care provider, clinic (such as the Child Health and Disability Prevention Program), or county mental health department agree that you or your child need them. You may also call your local county mental health department directly. The call is free.

Types of EPSDT Services

Some of the services you can get from your county mental health department are:

- Individual therapy
- Group therapy
- Family therapy
- Crisis counseling
- Case management
- Special day programs
- Medication for your mental health

Counseling and therapy services may be provided in your home, in the community, or in another location.

Your county mental health department, and your doctor or provider will decide if the services you ask for are medically necessary.

County mental health departments *must* approve your EPSDT services.

Every county mental health department has a toll-free phone number that you can call for more information and to ask for EPSDT mental health services.

What are EPSDT Therapeutic Behavioral Services?

Therapeutic Behavioral Services (TBS) are an EPSDT specialty mental health service. TBS helps children and young adults who:

- Have severe emotional problems;
- Live in a mental health placement or are at risk of placement; or
- Have been hospitalized recently for mental health problems or are at risk for psychiatric hospitalization.

If you get other mental health services and still feel very sad, nervous, or angry, you may be able to have a trained mental health coach help you. This person could help you when you have problems that might cause you to get mad, upset, or sad. This person would come to your home, group home or go with you on trips and activities in the community.

Your county mental health department can tell you how to ask for an assessment to see if you need mental health services including TBS.

Who can I talk to about EPSDT mental health services?

Your doctor, psychologist, counselor, social worker, or other health or social services provider can assist you with finding EPSDT mental health services. For children and young adults in a group home or residential facility, talk to the staff about getting additional EPSDT services.

For children in foster care, consult the child's court-appointed attorney. You can also call your county mental health department directly. (Look in your phone book for the toll-free telephone number, or call the Department of Health Care Services Mental Health Ombudsman's Office).

What if I don't get the services I want from my county mental health department?

You can file an appeal with your county mental health department if they deny the EPSDT services requested by your doctor or provider. You may also file an appeal if you think you need mental health services and your provider or county mental health department does not agree.

Call the county mental health department's toll-free number to talk to a Problem Resolution (grievance/appeal) coordinator for information and help. You may also call the county patients' rights advocate, or the Department of Health Care Services, Mental Health Ombudsman Office.

You can ask for a state hearing within 90 days after exhausting the county mental health department's appeal process by doing one of the following:

- **Call:** 1-800-952-5253, or for TTY 1-800-952-8349;

BREAST AND CERVICAL CANCER TREATMENT PROGRAM (BCCTP)

The BCCTP may provide Medi-Cal to low-income people that live in California and have breast and/or cervical cancer.

If you have been denied Medi-Cal or you are no longer eligible for Medi-Cal through your county and you have breast and/or cervical cancer, tell your county Eligibility Worker (EW). Your EW can make a referral for you to the BCCTP.

An Eligibility Specialist (ES) from the BCCTP will call or write to you for more information. The requested information will help us to see if you are eligible for the program. You may be Medi-Cal eligible through the BCCTP if you are a woman and you meet the following requirements:

- Have been screened and found in need of treatment for breast and/or cervical cancer, follow-up care for cancer, or precancerous cervical lesions/conditions by an Every Woman Counts (EWC) or Family Planning, Access, Care and Treatment (FamPACT) provider; and
- Are a California resident; and
- Are under age 65; and
- Are a United States citizen or have satisfactory immigration status; and
- Have no other health insurance including full-scope no share-of-cost Medi-Cal, or Medicare; and
- Have a monthly gross family income, at the time of screening and diagnosis, that is at or below 200 percent of the federal poverty level.

If you have been screened for breast and/or cervical cancer by a provider that is not with EWC or FamPACT, you can still be referred to the BCCTP. Your BCCTP worker will help you find an EWC or FamPACT provider that can confirm your diagnosis.

Even if you do not meet all the above requirements, you may still receive BCCTP through the State-funded BCCTP. The State-funded BCCTP can help you for up to 18 months for breast cancer or up to 24 months for cervical cancer. The State-funded BCCTP is available to men and women, regardless of immigration status.

For additional information or questions on the BCCTP, call 1-800-824-0088

Health Coverage in California

“My Medi-Cal: How to Get the Health Care You Need” tells Californians how to apply for Medi-Cal for no-cost or low-cost health insurance. You will learn what you must do to qualify. This guide also tells you how to use your Medi-Cal benefits. It tells you when to report changes. You should keep this guide and use it when you have questions about Medi-Cal.

California offers two ways to get health coverage. They are “Medi-Cal” and “Covered California.” Both programs use the same application.

What Is Medi-Cal?

Medi-Cal is California’s version of the Federal Medicaid program. Medi-Cal offers no-cost and low-cost health coverage to eligible people who live in California.

The Department of Health Care Services (DHCS) oversees the Medi-Cal program.

Your local county office manages most Medi-Cal cases for DHCS. You can reach your local county office online at www.benefitscal.com. You can also call your local county office.

To get the phone number for your local county office, go to:

<http://dhcs.ca.gov/mymedi-cal>

or call 1-800-541-5555
(TTY 1-800-430-7077)

The local county offices use many facts to determine what type of help you can get from Medi-Cal. They include:

- How much money you make
- Your age
- The age of any children on your application
- Whether you are pregnant, blind or disabled
- Whether you receive Medicare

Did you know?

It is possible for members of the same family to qualify for both Medi-Cal and Covered California. This is because the Medi-Cal eligibility rules are different for children and adults.

For example, coverage for a household of two parents and a child could look like this:

Parents—eligible for a Covered California health plan and receive tax credits and cost sharing to reduce their costs

Child—eligible for no-cost or low-cost Medi-Cal

Most people who apply for Medi-Cal can find out if they qualify based on their income. For some types of Medi-Cal, people may also need to give information about their assets and property. To learn more, see the Medi-Cal Program Comparison on page 5.

What Is Covered California?

Covered California is the State's health insurance marketplace. You can compare health plans from brand-name insurance companies or shop for a plan. If your income is too high for Medi-Cal, you may qualify to purchase health insurance through Covered California.

Covered California offers "premium assistance." It helps lower the cost of health care for individuals and families who enroll in a Covered California health plan and meet income rules. To qualify for premium assistance, your income must be under the Covered California program income limits.

Covered California has four levels of coverage to choose from: Bronze, Silver, Gold, and Platinum. The benefits within each level are the same no matter which insurance company you choose. Your income and other facts will decide what program you qualify for.

To learn more about Covered California, go to www.coveredca.com or call **1-800-300-1506 (TTY 1-888-889-4500)**.

What Are the Requirements to Get Medi-Cal?

To qualify for Medi-Cal, you must live in the state of California and meet certain rules. You must give income and tax filing status information for everyone who is in your family and is on your tax return. You also may need to give information about your property.

You do not have to file taxes to qualify for Medi-Cal. For questions about tax filing, talk to the Internal Revenue Service (IRS) or a tax professional.

All individuals who apply for Medi-Cal must give their Social Security Number (SSN) if they have one. Every person who asks for Medi-Cal must give information about his or her immigration status. Immigration status given as part of the Medi-Cal application is confidential. The United States Citizenship and Immigration Services cannot use it for immigration enforcement unless you are committing fraud.

Adults age 19 or older may qualify for limited Medi-Cal benefits even if they do not have a Social Security Number (SSN) or cannot prove their immigration status. These benefits cover emergency, pregnancy-related and long-term care services.

You can apply for Medi-Cal for your child even if you do not qualify for full coverage.

In California, immigration status does not affect Medi-Cal benefits for children under age 19. Children may qualify for full Medi-Cal benefits, regardless of immigration status.

To learn more about Medi-Cal program rules, read the Medi-Cal Program Comparison on the next page.

Did you know?

If you qualify for Supplemental Security Income (SSI), you automatically qualify for SSI-linked Medi-Cal.

Your local county office can help with some SSI Medi-Cal related problems. They will tell you if you need to contact a Social Security office to solve the problem.

Medi-Cal Program Comparison

MAGI

vs.

Non-MAGI

The Modified Adjusted Gross Income (MAGI) Medi-Cal method uses Federal tax rules to decide if you qualify based on how you file your taxes and your countable income.

Non-MAGI Medi-Cal includes many special programs. Persons who do not qualify for MAGI Medi-Cal may qualify for Non-MAGI Medi-Cal.

Who is eligible:

- Children under 19 years old
- Parents and caretakers of minor children
- Adults 19 through 64 years old
- Pregnant individuals

- Adult aged 65 years or older
- Child under 21
- Pregnant individual
- Parent/Caretaker Relative of an age-eligible child
- Adult or child in a long-term care facility
- Person who gets Medicare
- Blind or have a disability

Property rules:

No property limits.

- Must report and give proof of property such as vehicles, bank accounts, or rental homes
- Limits to the amount of property in the household

For both MAGI and Non-MAGI:

- The local county office will check your application information. You may need to give more proof.
- You must live in California.
- U.S. citizens or lawfully-present applicants must provide their SSN.
- You must apply for any income that you might qualify for such as unemployment benefits and State Disability Insurance.
- You must comply with medical support enforcement* which will:
 - Establish paternity for a child or children born outside of marriage.
 - Get medical support for a child or children with an absent parent.

**If you think you have a good reason not to follow this rule, call your local county office.*

How Do I Apply?

You can apply for Medi-Cal at any time of the year by mail, phone, fax, or email. You can also apply online or in person.

You can only apply for Covered California coverage on certain dates. To learn when you can apply, go to www.coveredca.com or call 1-800-300-1506 (TTY 1-888-889-4500).

How Long Will it Take for My Application to Be Processed?

It may take up to 45 days to process your Medi-Cal application. If you apply for Medi-Cal based on disability, it may take up to 90 days. Your local county office or Covered California will send you an eligibility decision letter. The letter is called a "Notice of Action." If you do not get a letter within the 45 or 90 days, you may ask for a "State Fair Hearing." You may also ask for a hearing if you disagree with the decision. To learn more, read "Appeal and hearing rights" on page 19.

How Do I Use My Medi-Cal Benefits?

Medi-Cal covers most medically necessary care. This includes doctor and dentist appointments, prescription drugs, vision care, family planning, mental health care, and drug or alcohol treatment. Medi-Cal also covers transportation to these services. Read more in “Covered Benefits” on page 12.

Once you are approved, you can use your Medi-Cal benefits right away. New beneficiaries approved for Medi-Cal get a Medi-Cal Benefits Identification Card (BIC). Your health care and dental providers need your BIC to provide services and to bill Medi-Cal. New beneficiaries and those asking for replacement cards get the new BIC design showing the California poppy. Both BIC designs shown here are valid:

Please contact your local county office if:

- You did not get your BIC
- Your BIC is lost
- Your BIC has wrong information
- Your BIC is stolen

Once you are sent a new BIC, you cannot use your old BIC.

You can get the phone number for your local county office at:

<http://dhcs.ca.gov/mymedi-cal>

or call:

1-800-541-5555 (TTY 1-800-430-7077)

How Do I See a Doctor?

Most people who are in Medi-Cal see a doctor through a Medi-Cal managed care plan. The plans are like the health plans people have with private insurance. Read more about managed care plans starting on the next page.

It may take a few weeks to assign your Medi-Cal managed care plan. When you first sign up for Medi-Cal, or if you have special situations, you may need to see the doctor through “Fee-for-Service Medi-Cal.”

What Is Fee-for-Service Medi-Cal?

Fee-for-Service is a way Medi-Cal pays doctors and other care providers. When you first sign up for Medi-Cal, you will get your benefits through Fee-for-Service Medi-Cal until you are enrolled in a managed care health plan.

Before you get medical or dental services, ask if the provider accepts Medi-Cal Fee-for-Service payments. The provider has a right to refuse to take Medi-Cal patients. If you do not tell the provider you have Medi-Cal, you may have to pay for the medical or dental service yourself.

How Are Medical or Dental Expenses Paid on Fee-for-Service Coverage?

Your provider uses your BIC to make sure you have Medi-Cal. Your provider will know if Medi-Cal will pay for a medical or dental treatment. Sometimes you may have to pay a “co-payment” for a treatment. You may have to pay \$1 each time you get a medical or dental service or prescribed medicine. You may have to pay \$5 if you go to a hospital emergency room when you do not need an emergency service. Those beneficiaries enrolled in a managed care plan do not have to pay co-payments.

There are some services Medi-Cal must approve before you may get them. See page 9 for more information.

How Do I Get Medical or Dental Services When I Have to Pay a Share of Cost (SOC)?

Some Non-MAGI Medi-Cal programs require you to pay a SOC. The Notice of Action you get after your Medi-Cal approval will tell you if you have a SOC. It will also tell the amount of the SOC. Your SOC is the amount you must pay or promise to pay to the

provider for health or dental care before Medi-Cal starts to pay.

The SOC amount resets each month. You only need to pay your SOC in months when you get health and/or dental care services. The SOC amount is owed to the health or dental care provider. It is not owed to Medi-Cal or the State. Providers may allow you to pay for the services later instead of all at once. In some counties, if you have a SOC you cannot enroll in a managed care plan.

If you pay for health care services from someone who does not accept Medi-Cal, you may count those payments toward your SOC. You must take the receipts from those health care expenses to your local county office. They will credit that amount to your SOC.

You may be able to lower a future month’s SOC if you have unpaid medical bills. Ask your local county office to see if your bills qualify.

What Is Medi-Cal Managed Care?

Medi-Cal Managed Care is an organized system to help you get high-quality care and stay healthy.

“ Medi-Cal Managed Care health plans help you find doctors, pharmacies and health education programs. ”

Most people must enroll in a managed care plan, unless you meet certain criteria or qualify for an exemption. Your health plan options depend on the county you live in. If your county has multiple health plans, you will need to choose the one that fits your and your family’s needs.

Every Medi-Cal managed care plan within each county has the same services. You can get the directory of managed care plans at <http://dhcs.ca.gov/mymedi-cal>. You can choose a doctor who works with your plan to be your primary care physician. Or your plan can pick a primary care doctor on your behalf. You may choose any Medi-Cal

family planning provider of your choice, including one outside of your plan. Contact your managed care plan to learn more.

Managed care health plans also offer:

- Care coordination
- Referrals to specialists
- 24-hour nurse advice telephone services
- Customer service centers

Medi-Cal must approve some services before you may get them. The provider will know when you need prior approval. Most doctors' services and most clinic visits are not limited. They do not need approval. Talk with your doctor about your treatment plan and appointments.

How Do I Enroll in a Medi-Cal Managed Care Plan?

If you are in a county with more than one plan option, you must choose a health plan within 30 days of Medi-Cal approval. You will get an information packet in the mail. It will tell you the health plan(s) available in your county. The packet will also tell you how to enroll in the managed care plan you choose. If you do not choose a plan within 30 days of getting your Medi-Cal approval, the State will choose a plan for you.

Please wait for your health plan information packet in the mail.

“ If your county only has one health plan, the county chooses the plan for you. ”

If you live in **San Benito County**, there is only one health plan. You may enroll in this health plan. Or you may choose to stay in Fee-for-Service Medi-Cal.

If your county has more than one health plan, you will need to choose the one that fits your and your family's needs.

To see what plans are in your county, go to <https://www.healthcareoptions.dhcs.ca.gov/>

How Do I Disenroll, Ask for an Exemption from Mandatory Enrollment, or Change My Medi-Cal Managed Care Plan?

Most Medi-Cal beneficiaries must enroll in a Medi-Cal managed care plan. If you enrolled in a health care plan **by choice**, you may disenroll at any time. To disenroll, call Health Care Options at **1-800-430-4263**.

When your county has more than one plan, you can call Health Care Options if you want to change your managed care health plan.

If you are getting treatment now from a Fee-for-Service Medi-Cal provider, you may qualify for a temporary exemption from mandatory enrollment in a Medi-Cal managed care plan. The Fee-for-Service provider cannot be part of a Medi-Cal managed care plan in your county. The provider must be treating you for a complex condition that could get worse if you have to change providers.

Ask your provider if he or she is part of a Medi-Cal managed care plan in your county. If your provider is not part of a Medi-Cal managed care plan in your county, have your provider fill out a form with you to ask for an exemption from enrolling in a Medi-Cal managed care plan.

Your provider will need to sign the form, attach required proof, and mail or fax the form to Health Care Options. They will review it and decide whether you qualify for a temporary exemption from enrollment in a Medi-Cal managed care plan. You can find the form and instructions at <http://dhcs.ca.gov/mymedi-cal>.

If you have questions, call **1-800-430-4263**.

What if I Have Other Health Insurance?

Even if you have other health coverage such as health insurance from your work, you may still qualify for Medi-Cal. If you qualify, Medi-Cal will cover allowable costs not paid by your primary insurance. Under federal

law, Medi-Cal beneficiaries' private health insurance must be billed first before billing Medi-Cal.

Medi-Cal beneficiaries are required by federal and state law to report private health insurance. To report or change private health insurance, go to <http://dhcs.ca.gov/mymedi-cal> or call **1-800-541-5555 (TTY 1-800-430-7077)**. Outside of California, call **1-916-636-1980**.

You also must report it to your local county office and your health care provider. If you fail to report any private health insurance coverage that you have, you are committing a misdemeanor crime.

Can I Get Medi-Cal Services When I Am Not in California?

When you travel outside California, take your BIC or proof that you are enrolled in a Medi-Cal health care plan. Medi-Cal can help in some cases, such as an emergency due to accident, injury or severe illness. Except for emergencies, your managed care plan must approve any out-of-state medical services before you get the service. If the provider will not accept Medicaid, you will have to pay medical costs for services you get outside of California. Remember: there may be many providers involved in emergency care. For example, the doctor you see may accept Medicaid but the x-ray department may not. Work with your managed care plan to limit what you have to pay. The provider should first make sure you qualify by calling **1-916-636-1960**.

If you live near the California state line and get medical service in the other state, some of these rules do not apply. To learn more, contact your Medi-Cal managed care plan.

“ You will not get Medi-Cal if you move out of California. You may apply for Medicaid in the state you move to. ”

If you are moving to a new county in California, you also need to tell the county you live in or the county you are moving to. This is to make sure you keep

getting Medi-Cal benefits. You should tell your local county office within 10 days of moving to a new county.

What Should I Do if I Can't Get an Appointment or Other Care I Need?

The Medi-Cal Managed Care Office of the Ombudsman helps solve problems from a neutral standpoint. They make sure you get all necessary required covered services.

The Office of the Ombudsman:

- Helps solve problems between Medi-Cal managed care members and managed care plans without taking sides
- Helps solve problems between Medi-Cal beneficiaries and county mental health plans without taking sides
- Investigates member complaints about managed care plans and county mental health plans
- Helps members with urgent enrollment and disenrollment problems
- Helps Medi-Cal beneficiaries access Medi-Cal specialty mental health services
- Offers information and referrals
- Identifies ways to make the Medi-Cal managed care program more effective
- Educates members on how to navigate the Medi-Cal managed care and specialty mental health system

How Does Medi-Cal Work if I also Have Medicare?

Many people who are 65 or older or who have disabilities qualify for both Medi-Cal and Medicare. If you qualify for both programs, you will get most of your medical services and prescription drugs through Medicare. Medi-Cal provides long-term services and supports such as nursing home care and home and community-based services.

“ **Medi-Cal covers some benefits that Medicare does not cover.** ”

Medi-Cal may also pay your Medicare premiums.

What Is the Medicare Premium Payment Buy-In Program?

The Medicare Premium Payment Program, also called Medicare Buy-In, allows Medi-Cal to pay Medicare Part A (Hospital Insurance) and/or Part B (Medical Insurance) premiums for Medi-Cal members and others who qualify for certain Medi-Cal programs.

What Is the Medicare Savings Program (MSP)?

Medicare Savings Programs may pay Medicare Part A and Medicare Part B deductibles, co-insurance and co-payments if you meet certain conditions. When you apply for Medi-Cal, your county will evaluate you for this program. Some people who do not qualify for full-scope Medi-Cal benefits may still qualify for MSP.

If I Use a Medicare Provider, Will I Have to Pay Medicare Co-Insurance?

No. If eligible to MSP you will not have to pay any co-insurance or deductibles. If you get a bill from your Medicare provider, contact your Medi-Cal managed care plan or call **1-800-MEDICARE**.

If I Have Medicare, Do I Have to Use Doctors and Other Providers Who Take Medi-Cal?

No. You can use any Medicare provider, even if that provider doesn't take Medi-Cal or isn't part of your Medi-Cal managed care plan. Some Medicare providers may not accept you as a patient.

Medi-Cal Dental Program

Dental health is an important part of overall health. The Medi-Cal Dental Program covers many services to keep your teeth healthy. You can get dental benefits as soon as you are approved for Medi-Cal.

You can see the dental benefits and other resources at <http://dhcs.ca.gov/mymedi-cal>. Or, you can call **1-800-322-6384 (TTY 1-800-735-2922)** Monday through Friday between 8:00 a.m. and 5:00 p.m.

How Do I Get Medi-Cal Dental Services?

The Medi-Cal Dental Program gives service in two ways. One is Fee-for-Service Dental and you can get it throughout California. Fee-for-Service Dental is the same as Fee-for-Service Medi-Cal. Before you get dental services, you must show your BIC to the dental provider and make sure the provider takes Fee-for-Service Dental.

The other way Medi-Cal gives dental services is through Dental Managed Care (DMC). DMC is only offered in Los Angeles County and Sacramento County. DMC plans cover the same dental services as Fee-for-Service Dental. DHCS uses three managed care plans in Sacramento County. DHCS also contracts with three prepaid health plans in Los Angeles County. These plans provide dental services to Medi-Cal beneficiaries.

If you live in Sacramento County, you must enroll in DMC. In some cases, you may qualify for an exemption from enrolling in DMC.

To learn more, go to Health Care Options at <http://dhcs.ca.gov/mymedi-cal>.

In Los Angeles County, you can stay in Fee-for-Service Dental or you can choose the DMC program. To choose or change your dental plan, call Health Care Options.

Early and Periodic Screening, Diagnostic and Treatment (EPSDT)

If you or your child are under 21 years old, Medi-Cal covers preventive services, such as regular health check-ups and screenings. Regular checkups and screenings look for any problems with your medical, dental, vision, hearing, and mental health, and any substance use disorders. You can also get vaccinations to keep you healthy. Medi-Cal covers screening services any time there is a need for them, even if it is not during your regular check-up. All of these services are at no cost to you.

Checkups and screenings are important to help your health care provider identify problems early. When a problem is found during a check-up or screening, Medi-Cal covers the services needed to fix or improve any physical or mental health condition or illness. You can get the diagnostic and treatment services your doctor, other health care provider, dentist, county Child Health and Disability Prevention program (CHDP), or county mental or behavioral health provider says you need to get better. EPSDT covers these services at no cost to you.

Your provider will also tell you when to come back for the next health check-up, screening, or medical appointment. If you have questions about scheduling a medical visit or how to get help with transportation to the medical visit, Medi-Cal can help. Call your Medi-Cal Managed Care Health Plan (MCP). If you are not in a MCP, you can call your doctor or other provider or visit <http://dhcs.ca.gov/mymedi-cal> for transportation assistance.

For more information about EPSDT you may call **1-800-541-5555**, go to <http://dhcs.ca.gov/mymedi-cal>, contact your county CHDP Program, or your MCP. To learn more about EPSDT Specialty Mental Health or Substance Use Disorder services, contact your county mental or behavioral health department.

Transportation Services

Medi-Cal can help with rides to medical, mental health, substance use, or dental appointments when those appointments are covered by Medi-Cal. The rides can be either nonmedical transportation (NMT) or non-emergency medical transportation (NEMT). You can also use NMT if you need to pick up prescriptions or medical supplies or equipment.

If you can travel by car, bus, train, or taxi, but do not have a ride to your appointment, NMT can be arranged.

If you are enrolled in a health plan, call your Member Services for information on how to get NMT services.

If you have Fee-for-Service, you can do the following:

- Call your county Medi-Cal office to see if they can help you get an NMT ride.
- To set up a ride, you should first call your Fee-for-Service medical provider and ask about a transportation provider in your area. Or, you can call one of the approved NMT providers in your area listed at <http://dhcs.ca.gov/mymedi-cal>.

If you need a special, medical vehicle to get to your appointment, let your health care provider know. If you are in a health plan, you can also contact your plan to set up your transportation. If you are in Fee-for-Service, call your health care provider. The plan or provider can order NEMT such as a wheelchair van, a litter van, an ambulance, or air transport.

Be sure to ask for a ride as soon as you can before an appointment. If you have frequent appointments, your health care provider or health plan can request transportation to cover future appointments.

Go to <http://dhcs.ca.gov/mymedi-cal> for more information about rides arranged by approved NMT providers.

Specialty Mental Health Services

If you have mental illness or emotional needs that your regular doctor cannot treat, specialty mental health services are available. A Mental Health Plan (MHP) provides specialty mental health services. Each county has an MHP.

Specialty mental health services may include, but are not limited to, individual and group therapy, medication services, crisis services, case management, residential and hospital services, and specialized services to help children and youth.

To find out more about specialty mental health services, or to get these services, call your county MHP. Your MHP will determine if you qualify for specialty mental health services. You can get the MHP's telephone number from the Office of the Ombudsman at **1-888-452-8609** or go to <http://dhcs.ca.gov/mymedi-cal>.

Other Health Programs & Services

California offers other programs for your medical needs. You can apply for some through the same local county office that handles Medi-Cal.

Former Foster Youth

If you were in foster care on your 18th birthday or later, you may qualify for free Medi-Cal. Coverage may last until your 26th birthday. Income does not matter. You do not need to fill out a full Medi-Cal application or give income or tax information when you apply. For coverage right away, contact your local county office.

Confidential Medical Services

250% Working Disabled Program

The Working Disabled Program gives Medi-Cal to adults with disabilities who have higher income than most Medi-Cal recipients. If you have earned disability income through Social Security or your former job, you may qualify. The program requires a low monthly premium, ranging from \$20 to \$250 depending on your income. To qualify, you must:

- Meet the Social Security definition of disability, have gotten disability income, and now be earning some money through work
- Meet program income rules for earned and unearned income
- Meet other program rules

Medi-Cal Access Program (MCAP)

MCAP gives low-cost comprehensive health insurance coverage to pregnant individuals. MCAP has no copayments or deductibles for its covered services. The total cost for MCAP is 1.5% of your Modified Adjusted Gross Income. For example, if your income is \$50,000 per year, your cost would be \$750 for coverage. You can pay all at once or in monthly installments over 12 months. If you are pregnant and in Covered California coverage, you may be able to switch to MCAP. Babies born to individuals enrolled in MCAP qualify for the Medi-Cal Access Infant Program or for Medi-Cal. To qualify for MCAP, you must be:

- A California resident
- Not enrolled in no-cost Medi-Cal or Medicare Part A and Part B at time of application

- Not covered by any other health insurance plan
- Within the program income guidelines

To learn more about MCAP, go to <http://dhcs.ca.gov/mymedi-cal> or call **1-800-433-2611**.

In-Home Supportive Services (IHSS) Program

IHSS helps pay for services so you can remain safely in your own home. If you qualify for Medi-Cal, you may also qualify for IHSS. If you do not qualify for Medi-Cal, you may still qualify for IHSS if you meet other eligibility criteria. If you have Medi-Cal with no SOC, it will pay for all your IHSS services. If you have Medi-Cal with a SOC, you must meet your Medi-Cal SOC before any IHSS services are paid. To qualify, you must be at least **one** of the following:

- Age 65 and older
- Blind
- Disabled (including disabled children)
- Have a chronic, disabling condition that causes functional impairment expected to last at least 12 consecutive months or expected to result in death within 12 months

- Shopping for food

Home and Community-Based Services include but are not limited to case management (supports and service coordination), adult day health services, habilitation (day and residential), homemaker, home health aide, nutritional services, nursing services, personal care, and respite care. You must qualify for full-scope Medi-Cal and meet all program rules. To learn more, call DHCS, Integrated Systems of Care Division at **1-916-552-9105**.

California Children's Services (CCS) Program

The CCS program gives diagnostic and treatment services, medical case management, and physical and occupational therapy services to children under age 21 who have CCS-eligible medical conditions. CCS-eligible medical conditions are those that are physically disabling or require medical, surgical or

rehabilitative services. Services authorized by the CCS program to treat a Medi-Cal enrolled child's CCS-eligible medical condition are not services that most health plan's cover. The Medi-Cal health plan still provides primary care and preventive health services not related to the CCS-eligible medical condition.

To apply for CCS, contact your local county CCS office. To learn more, go to <http://dhcs.ca.gov/mymedi-cal> or call **1-916-552-9105**.

Genetically Handicapped Person's Program (GHPP)

GHPP gives medical and administrative case management and pays for medically-necessary services for persons who live in California, are over age 21, and have GHPP-eligible medical conditions. GHPP-eligible conditions are inherited conditions like hemophilia, cystic fibrosis, Phenylketonuria, and sickle cell disease that have major health effects. GHPP uses a system of Special Care Centers (SCCs). SCCs give comprehensive, coordinated health care to clients with specific eligible conditions. If the service is not in the health plan's covered benefits, GHPP authorizes yearly SCC evaluations for Medi-Cal enrolled adults with a GHPP-eligible medical condition.

To apply for GHPP, complete an application. Fax it to **1-800-440-5318**. To learn more, call **1-916-552-9105** or go to <http://dhcs.ca.gov/mymedi-cal>.

Retroactive Medi-Cal

If you have unpaid medical or dental bills when you apply for Medi-Cal, you can ask for retroactive Medi-Cal. Retroactive Medi-Cal may help pay medical or dental bills in any of the three months before the application date.

For example, if you applied for Medi-Cal in April, you may be able to get help with bills for medical or dental services you got in January, February and March.

To get retroactive Medi-Cal you must:

- Qualify for Medi-Cal in the month you got the medical services
- Have received medical or dental services that Medi-Cal covers
- Ask for it within one year of the month in which you received the covered services
- You must contact your local county office to request retroactive Medi-Cal

For example, if you were treated for a broken arm in January 2017 and applied for Medi-Cal in April 2017, you would have to request retroactive Medi-Cal by no later than January 2018 to pay the medical bills.

If you already paid for medical or dental service you got during the three months of the retroactive period, Medi-Cal may also help you get paid back. You must submit your claim within one year of the date of service, or within 90 days after approval of your Medi-Cal eligibility, whichever is longer.

To file a claim, you must call or write to:

Department of Health Care Services
Beneficiary Services

Updating & Renewing My Medi-Cal

You must report any household changes within 10 days to your local county office. You can report changes in person, online, by phone, email or fax. Changes can affect your Medi-Cal eligibility.

You must report if you:

- Get married or divorced
- Have a child, adopt or place a child for adoption
- Have a change in income or property (if applicable)
- Get any other health coverage including through a job or a program such as Medicare
- Move, or have a change in who is living in your home
- Have a change in disability status
- Have a change in tax filing status, including change in tax dependents
- Have a change in citizenship or immigration status
- Are incarcerated (jail, prison, etc.) or released from incarceration
- Have a change in American Indian or Alaska Native status or change your tribal status
- Change your name, date of birth or SSN
- Have any other changes that may affect your income or household size

What if I Move to Another County in California?

If you move to another California county, you can have your Medi-Cal case moved to the new county. This is called an Inter-County Transfer (ICT). You must report your change of address to either county within

10 days from the change. You can report your change of address online, in person, by phone, email, or fax. Your managed care plan coverage in your old county will end on the last day of the month. You will need to enroll in a managed care plan in your new county.

When you leave the county temporarily, your Medi-Cal will not transfer. This includes a child going to college or when you take care of a sick relative. Contact your local county office to report the household member's temporary address change to a new county. The local county office will update the address so the household member can enroll in a health plan in the new county.

How Do I Renew My Medi-Cal Coverage?

To keep your Medi-Cal benefits, you must renew at least once a year. If your local county office cannot renew your Medi-Cal coverage using electronic sources, they will send you a renewal form. You will need to give information that is new or has changed. You will also need to give your most current information. You can return your information online, in person, or by phone or other electronic means if available in your county. If you mail or return your renewal form in person, it must be signed.

If you do not give the needed information by the due date, your Medi-Cal benefits will end. Your local county office will send you a Notice of Action in the mail. You have 90 days to give your local county office all the missing information without having to re-apply. If you give the missing information within 90 days and still qualify for Medi-Cal, your local county office will reinstate your Medi-Cal with no gaps in coverage.

Rights & Responsibilities

When you apply for Medi-Cal, you will get a list of your rights and responsibilities. This includes the requirement to report changes in address or income, or if someone is pregnant or gave birth. You can call your local county office or find the most up-to-date list of your rights and responsibilities online at:

<http://dhcs.ca.gov/mymedi-cal>

Appeal and Hearing Rights

Health Care Services and Benefits

You have the right to ask for an appeal if you disagree with the denial of a health care service or benefit.

If you are in a Medi-Cal managed care plan and you get a Notice of Action letter telling you that a health care service or benefit is denied, you have the right to ask for an appeal.

You must file an appeal with your plan within 60 days of the date on the Notice of Action. After you file your appeal, the plan will send you a decision within 30 days. If you do not get a decision within 30 days or are not happy with the plan's decision, you can then ask for a State Fair Hearing. A judge will review your case.

You must first file an appeal with your plan before you can ask for a State Fair Hearing. You must ask for a State Fair Hearing within 120 days of the date of the plan's written appeal decision.

If you are in Fee-for-Service Medi-Cal and you get a Notice of Action letter telling you that a health service

or benefit has been denied, you have the right to ask for a State Fair Hearing right away. You must ask for a State Fair Hearing within 90 days of the date on the Notice of Action.

You also have the right to ask for a State Fair Hearing if you disagree with what is happening with your Medi-Cal application or eligibility. This can be when:

- You do not agree with a county or State action on your Medi-Cal application
- The county does not give you a decision about your Medi-Cal application within 45 or 90 days
- Your Medi-Cal eligibility or Share of Cost changes

Eligibility Decisions

If you get a Notice of Action letter telling you about an eligibility decision that you disagree with, you can talk to your county eligibility worker and/or ask for a State Fair Hearing. If you cannot solve your disagreement through the county, you must request a State Fair Hearing within 90 days of the date on the Notice of Action. You can ask for a State Fair Hearing by contacting your local county office. You can also call or write to:

California Department of Social Services
Public Inquiry and Response
PO Box 944243, M.S. 9-17-37
Sacramento, CA 94244-2430
1-800-743-8525, (TTY 1-800-952-8349)

You can also file a hearing request online at:

<http://www.cdss.ca.gov/>

If you believe you have been unlawfully discriminated against on the basis of sex, race, color, religion, ancestry, national origin, ethnic group identification, age, mental disability, physical disability, medical condition, genetic information, marital status, gender, gender identity, or sexual orientation, you can make a complaint to the DHCS Office of Civil Rights.

You can learn how to make a discrimination complaint in “Federally Required Notice Informing Individuals About Nondiscrimination and Accessibility Requirements” on page 21.

About State Fair Hearings

The State will tell you it got your hearing request. You will get a notice of the time, date and place of your hearing. A hearing representative will review your case and try to resolve your issue. If the county/State offers you an agreement to solve your issue, you will get it in writing.

You can give permission in writing for a friend, family member or advocate to help you at the hearing. If you cannot fully solve your issue with the county or State, you or your representative must attend the State Fair Hearing. Your hearing can be in person or by phone. A judge who does not work for the county or Medi-Cal program will hear your case.

You have the right to free language help. List your language on your hearing request. Or tell the hearing representative you would like a free interpreter. You cannot use family or friends to interpret for you at the hearing.

If you have a disability and need reasonable accommodations to fully take part in the Fair Hearing process, you may call 1-800-743-8525 (TTY 1-800-952-8349). You can also send an email to SHDCSU@DSS.ca.gov.

To get help with your hearing, you can ask for a legal aid referral. You may get free legal help at your local legal aid or welfare rights office.

Third Party Liability

If you suffer an injury, you may use your Medi-Cal to get medical services. If you file an insurance claim or sue someone for damages because of your injury, you must notify the Medi-Cal Personal Injury (PI) program within 30 days of filing your claim or action. You must tell both your local county office and the PI program.

To notify the Medi-Cal PI program, please complete the “Personal Injury Notification (New Case)” form. You can find it on the website below. If you do not have internet access, please ask your attorney or insurance company representative to notify the Medi-Cal PI program on your behalf. You can find notification and update forms at: <http://dhcs.ca.gov/mymedi-cal>.

If you hire a lawyer to represent you for your claim or lawsuit, your lawyer is responsible for notifying the Medi-Cal PI program and giving a letter of authorization. This authorization allows Medi-Cal staff to contact your lawyer and discuss your personal injury case. Medi-Cal does not provide representation or attorney referrals. Staff can offer information that can help the lawyer through the process.

Estate Recovery

The Medi-Cal program must seek repayment from the estates of certain Medi-Cal members who have died. Repayment is limited to payments made, including managed care premiums, for nursing facility services, home and community based services, and related hospital and prescription drug services when the beneficiary:

- Was an inpatient in a nursing facility, or
- Received home and community based services on or after his or her 55th birthday

If a deceased member does not leave an estate subject to probate or owns nothing when they die, nothing will be owed.

To learn more, go to <http://dhcs.ca.gov/er> or call 1-916-650-0590

Medi-Cal Fraud

Beneficiary responsibilities

A beneficiary must always present proof of Medi-Cal coverage to providers before getting services. If you are getting treatment from more than one doctor or dentist, you should tell each doctor or dentist about the other doctor or dentist providing your care.

It is your responsibility not to abuse or improperly use your Medi-Cal benefits. It is a **crime** to:

- Let other people use your Medi-Cal benefits
- Get drugs through false statements to a provider
- Sell or lend your BIC to any person or give your BIC to anyone other than your service providers as required under Medi-Cal guidelines

Misuse of BIC/Medi-Cal benefits is a crime. It could result in negative actions to your case or criminal prosecution. If you suspect Medi-Cal fraud, waste or abuse, make a confidential report by calling 1-800-822-6222.
