CURRENT SITUATION		
Situation Summary:	<ul style="list-style-type: none"> We have 13 new cases today. Ten had symptoms and one was hospitalized. They are two girls under 13, a man in his 20s, two women in their 30s, a man in his 30s, a woman in her 40s, a man in his 40s, three women in their 50s, a man in his 50s and a woman in her 60s. <ul style="list-style-type: none"> *Technical problems prohibited the updating of isolation and quarantine numbers. One patient was discharged from the hospital today. Usually, the Fourth of July means celebrations with friends and family. Unfortunately, small gatherings have played a big role in the spread of COVID-19. Even people who are cautious and opt to stay home have gotten sick when family members have brought the virus home with them. We can show our patriotism by protecting one another. Northern California cases continue to increase. You can track local data at www.ShastaReady.org – click on “Data and Statistics.” Anyone can be tested for COVID-19. If you have symptoms, contact your healthcare provider or call (530) 225-5591 to access testing in Redding or the Intermountain area. People with or without symptoms can sign up for testing at Shasta College. Go to https://lhi.care/covidtesting. Appointments are required.
