Disaster Assistance For Carr Fire Survivors

How Can We Help?

Shasta County has funding available to assist eligible homeowners bridge a financial gap to repair, rehabilitate reconstruct, or replace your home. Loans are also available to assist with debris and tree removal. Funds may also assist with general property improvements such as repair or rebuild of outbuildings, garages, fences or to assist with cost of permits or other fees associated with eligible repairs. These funds are for homes damaged or destroyed in the CARR Fire.
