City of Shasta Lake

HOUSING REHABILITATION PROGRAM

(OWNER-OCCUPIED)

The OOR Program

The City of Shasta Lake in collaboration with Shasta County Housing Authority is offering Housing Rehabilitation loans to qualified homeowners. Eligible repairs include weatherization, health and safety, and ADA repairs. Energy and water conservation improvements are strongly encouraged.

Housing Rehabilitation funds are used to bring the home up to standards. These standards may include:

- Correcting code violations.
- Making the home more energy efficient including Energy Star certification on all new replacement homes, and water conservation repairs.
- Repairing major systems such as heating, electrical, plumbing, roofing, ADA repairs.
- Making necessary repairs to outdoor and indoor surfaces such as floors, walls, and siding if determined eligible.
- An additional 15% of the rehabilitation loan amount may be used for General Property Improvements. Luxury items are not permitted.
- In some cases, the cost of rehabilitating the home is unreasonable with the cost of replacement. In this case, participants may be eligible to use financing to build a new replacement home on the existing lot.

Eligibility Requirements:

- Home must be located within the City limits of Shasta Lake
- Meet income guidelines (see chart). Household Gross Annual Income.
- Ability to repay debt (credit history, debt & income review)
- Total debt to income (Back End) may not exceed 49%. Some credit restrictions may apply.
- The property must be owner-occupied.
- No open judgments recorded against the property.
- Homes built before 1978 may require testing for lead hazards.
- Homeowner may need to relocate during rehabilitation.
