

Shasta County Air Quality Management District

Notice of Public Workshop January 22, 2019 2:00-3:30

BARCT Implementation Schedule

The Shasta County Air Quality Management District invites you to attend the BARCT workshop on **Wednesday, January 22, 2019, from 2:00pm to 3:30pm**. The meeting will be held at:

Shasta County Administration Center

Conference Room 352
1450 Court Street, Redding, CA 96001

The purpose of this public workshop is to present and receive feedback on the proposed expedited schedule for implementing Best Available Retrofit Control Technology (BARCT) requirements as required by Assembly Bill 617 (AB 617). Under AB 617, all air districts located in non-attainment areas must perform a BARCT analysis of all categories of emission sources located at facilities subject to the state Cap-and-Trade program. The District must also adopt an expedited schedule to implement BARCT requirements at these sources. Any rule amendments and/or new rules must be adopted and implemented by no later than December 31, 2023.

Documents for this workshop and additional information can be found at:
https://www.co.shasta.ca.us/index/drm_index/aq_index.aspx

Hard copies of the staff report are available for review at the District office.

You do not need to be present at the public meeting to submit comments. Written comments can be submitted by email at: airquality@co.shasta.ca.us, or by mail to: Shasta County Air Quality Management District, 1855 Placer Street Suite 101, Redding, CA 96001, and must be received or postmarked by 5:00 pm on January 22, 2019.

For additional information, please contact the District at (530) 225-5674.
