Medications must be removed from containers and placed in a zip-type bag for disposal. It is okay to mix multiple medications in the same bag. All liquids, powders, and ointments should be tightly sealed, left in their original container, and placed in a zip-type bag.

Be sure to black out or remove any identifying information and visit [recycle.co.shasta.ca.us](http://recycle.co.shasta.ca.us) for information on recycling the empty bottles.

Call Shasta County Health and Human Services Agency, Public Health at (530) 245-6858 or visit [rxsafeshasta.com](http://rxsafeshasta.com) for more information on proper medication disposal.

Household hazardous wastes **CANNOT** be disposed of in a solid waste landfill or your garbage.

## HOUSEHOLD HAZARDOUS WASTE COLLECTION FACILITY (HHWCF)

Residents of Shasta County may bring household hazardous waste (HHW) from their homes to the City of Redding's HHWCF at no charge. **This service is not available to businesses.** The facility accepts fluorescent lights and household batteries from businesses for a fee and by appointment only.

Call (530) 224-6209 for details.

### City of Redding's HHW Collection Facility

2255 Abernathy Ln., Redding, (530) 224-6209

HHW accepted Thursday-Saturday, 9am-4pm

- State law prohibits the transportation of more than 5 gallons or 50 pounds of hazardous waste at a time.
- For details, visit [www.cityofredding.org](http://www.cityofredding.org), then search "special waste."

Call (530) 225-5789 or visit [recycle.co.shasta.ca.us](http://recycle.co.shasta.ca.us) for HHW collection events near you.
