PRESS RELEASE

PIO: Amy Travis, Shasta County EOC

For Immediate Release: July 30, 2018

Water System Updates

The following water districts have a Boil Water Advisory in effect:

- Shasta Community Service District (Old Shasta)

No other water systems have reported water quality issues. The water in City of Redding is safe to use and does NOT require boiling.

Boil water tips for those in water systems under advisory:

- Fill a pot with water
- Heat the water until bubbles come from the bottom of the pot to the top.
- Once the water reaches a rolling boil, let it boil for 1 minute.
- Turn off the heat source and let the water cool.
- Pour the water into a clean container with a cover for storage.

For additional information, please contact your water supplier.
