List of Body Art procedures to be conducted

\* If a new body art facility is wanting to go into a previously permitted location, the minor plan review fee will be charged. However, the documents listed above are still needed.

Review by your local building department may be necessary because permits for building, plumbing, and/or electrical changes, additions or modifications shall be issued by the applicable local enforcement agency -- §119312 (h). Check with your local building department for plan review submittal requirements -- §119312 (h).

NOTE: A facility shall not open without a valid permit to operate. In order to obtain a permit, submit proper permit application, pay applicable fees, and contact the Shasta County Environmental Health Division for a pre-opening inspection.
