RE: Tribal Cultural Resources under the California Environmental Quality Act, AB 52 (Gatto, 2014). Formal Notification of Determination that a Project Application is Complete, pursuant to Public Resources Code (PRC) § 21080.3.1.

Dear Ms. Gali:

The Shasta County Department of Resource Management (Planning Division) is reviewing the application for the following project: Use Permit 16-006 for the Fountain Wind Project, filed by Pacific Wind Development, LLC, of Portland, Oregon.

Below please find a description of the proposed project, a description of the project location, and the name of our project point of contact, pursuant to PRC § 21080.3.1 (d). Enclosed for your review are additional figures and information regarding the proposed project.

## PROJECT DESCRIPTION:

Pacific Wind Development, LLC proposes to construct and operate the Fountain Wind Project (Project) which would consist of up to 100 wind turbines and associated infrastructures, with a generating capacity of up to approximately 347 megawatts. The proposed Project would be on 94 Assessor parcels covering about 38,000 acres. In addition to the wind turbines including associated transformers, the Project includes ancillary facilities such as lay-down areas, access roads, underground and overhead collector lines, an operation and maintenance building, and substation components. For more project information please refer to the enclosed project narrative and figures.
