RELEASE

DATE: April 6, 2020

Redding: The County of Shasta has opened the County Emergency Operations Center and this morning, Shasta County Health and Human Services (HHS), Shasta County Sheriff's Office (SCSO) and CAL FIRE/Shasta County Fire Department (SCFD) met, in unified command. We are working together, defining roles, providing structure and support to the local efforts of Shasta County Public Health as we navigate through this fluid and rapidly changing emergency.

We will continue to stream our live media briefings via Shasta County Health and Human Services Facebook page on Monday, Wednesday and Friday at 11 a.m. and daily updates will be at 6 p.m. posted on our social media accounts. Media inquiries please utilize our updated media line (530) 245-7383.
