- **Who is being vaccinated now?** People in [Phase 1A](#) (healthcare workers, long-term care facilities) and people 75 and older. **How can they sign up for vaccine?** Options are listed at www.ShastaReady.org (click "Vaccinations"). If you don't see an option that works for you and **if you are eligible now**, there are two ways to get on the list to be scheduled for an appointment – click [the blue oval](#) labeled "Tell me when it's my turn" and complete the short survey, or call (530) 245-7890. Both options will get you on one master list, and Public Health will call or email you to set up an appointment.
- The state has updated its [youth sports guidance](#) to allow competition for certain sports. Since Shasta County is in the purple tier, outdoor low-contact sports are allowed, including cross country, dance, golf, running, skiing, snowboarding, swimming, tennis, track and field, and others. The complete list is listed in the [youth sports guidance](#). If we move into a lower tier by slowing the spread and increasing our testing, more sports will be allowed. For example, the red tier adds baseball, cheerleading (outdoors), gymnastics, softball and more.
