## CURRENT SITUATION

- We had 49 cases Wednesday, including 22 men and 27 women:
  - 3 children under age 13
  - 2 teenagers
  - 7 people in their 20s
  - 8 people in their 30s
  - 7 people in their 40s
  - 5 people in their 50s
  - 9 people in their 60s
  - 3 people in their 70s
  - 4 people in their 80s
  - 1 person over age 89
- We are sorry to report 4 deaths today. They were a woman in her 50s, a woman in her 60s, a woman in her 70s and a woman in her 80s.
- If you received your first COVID-19 vaccination during the mass vaccination clinic on January 16 in Redding, you can get your second dose Saturday, February 13, at the Shasta District Fairgrounds in Anderson. This will be a drive-through clinic. Please arrive by last name: **A-G**, 10-11:30 a.m.; **H-M**, 11:30-1 p.m.; **N-S**, 1-2:30 p.m.; and **T-Z**, 2:30-4 p.m. Bring your CDC immunization card that shows the date of your first vaccine. Other second dose options will be available soon.
- Some of our biggest jumps in cases were in the 14 days after Christmas and Thanksgiving, due in part to gatherings of extended family and friends. We need to keep our guard up so this doesn't happen again. Don't turn your Super Bowl Sunday into a super spreader event! We encourage you to keep your celebrations safe – stick to your own household, keep it short, wear masks and stay 6 feet apart.
