2,554	2,587	4

CURRENT SITUATION

Situation Summary:	<ul style="list-style-type: none"> We have one new positive case today. He is a man in his 30s who is isolated at home. The two most recent Shasta County cases have been people with no symptoms, including one identified at the state testing site at Shasta College. It is still extremely important to avoid non-essential travel and mass gatherings, practice social distancing, wear masks when out in public, practice respiratory hygiene and get tested. Now that more businesses are open and people are getting back to work, the need for child care is increasing. Find resources at www.co.shasta.ca.us/covid-19/resources/parenting. Get tested for COVID-19! Testing options (all by appointment only): <ul style="list-style-type: none"> People with no symptoms: Visit https://lhi.care/covidtesting to make an appointment for this new walk-up testing option. Appointments are available from 7 a.m. to 7 p.m. Monday through Friday at Shasta College. Anyone with COVID-19 symptoms: Contact your healthcare provider for testing, or call Shasta County Public Health at (530) 225-5591 to be screened and scheduled for a mobile testing appointment.
