7,384	7,435	4
CURRENT SITUATION		
Situation Summary:	<ul style="list-style-type: none"> We have no new cases today. The reopening of Shasta County and the state of California is not like an on-off switch, but rather like a dimmer switch, where sectors are reopening gradually with modifications. The majority of Stage 3 businesses have gotten the green light to reopen, including personal care, movie theaters, sports without audiences and in-person religious services. Anyone can be tested for COVID-19. If you have symptoms, contact your healthcare provider or call (530) 225-5591. People with or without symptoms can sign up for testing at Shasta College by going to https://lhi.care/covidtesting. Appointments are required.
