Situation Summary:	<ul style="list-style-type: none"> We have 14 new cases today, 11 of whom were connected with a family gathering reported earlier this week. None of the patients is hospitalized. They are: <ul style="list-style-type: none"> PATIENTS WITH SYMPTOMS: Two women in their 20s, a man in his 20s, three women in their 30s, a man in his 30s, a man in his 40s, two women in their 40s, and a woman in her 60s. PATIENTS WITH NO SYMPTOMS: A teenage girl and two men in their 40s. In March, the state entered a shut-down to prevent the uncontrolled spread of COVID-19, which hurt our economy, especially small businesses. Most of those restrictions have been relaxed, but the virus continues to spread in our community, so we need to slow it down in other ways. Here are some simple ways to do your part to keep people safe and keep our small businesses open: <ul style="list-style-type: none"> Wear a face covering as directed by the new state order Maintaining social distancing Stay home when sick Anyone can be tested for COVID-19. If you have symptoms, contact your healthcare provider or call (530) 225-5591 to access testing in Redding or the Intermountain area. People with or without symptoms can sign up for testing at Shasta College by going to https://lhi.care/covidtesting. Appointments are required.
