CURRENT SITUATION		
Situation Summary:	<ul style="list-style-type: none"> • We have 4 new cases today. They are: <ul style="list-style-type: none"> ○ PATIENTS WITH SYMPTOMS: A man in his 30's, a man in his 40's and one man in his 60's who is hospitalized. ○ PATIENTS WITH NO SYMPTOMS: A woman in her 70's who is a resident of a congregate setting. • In March, the state entered a shut-down to prevent the uncontrolled spread of COVID-19, which hurt our economy, especially small businesses. Most of those restrictions have been relaxed, but the virus continues to spread in our community, so we need to slow it down in other ways. Here are some simple ways to do your part to keep people safe and keep our small businesses open: <ul style="list-style-type: none"> ○ Wear a face covering as directed by the new state order ○ Maintaining social distancing ○ Stay home when sick • Anyone can be tested for COVID-19. If you have symptoms, contact your healthcare provider or call (530) 225-5591 to access testing in Redding or the Intermountain area. People with or without symptoms can sign up for testing at Shasta College by going to https://lhi.care/covidtesting. Appointments are required.
