CURRENT SITUATION		
Situation Summary:	<ul style="list-style-type: none"> • We have four new cases today. Three have symptoms and were connected with other confirmed positive cases. The fourth is still under investigation. They are a woman in her 20s, a woman in her 30s, a man in his 30s and a man in his 40s. • Some of our more recent cases have been the result of out-of-town guests staying at the homes of Shasta County residents. Social distancing, wearing cloth face coverings, handwashing and staying away from other people when you are sick helps slow the spread of disease, even among friends and extended family. • We all play a part in helping protect the public health while keeping our businesses open and our economy moving forward. Please follow the state order and wear face coverings in public places and businesses.
