11,442	11,543	4
CURRENT SITUATION		
Situation Summary:	<ul style="list-style-type: none"> We have four new cases today. Three have symptoms and are not hospitalized; the fourth is still under investigation. They are a man in his 20s, a woman in her 20s, a man in his 50s and a woman in her 50s. The majority of Shasta County cases have been due to close contact with someone who tested positive, travel (either to another county or hosting an out-of-town guest), or an undetermined source. It's important to practice safe physical distancing and wearing face coverings not just when you're in public, but when you're in close contact with people who don't live in your household. Anyone can be tested for COVID-19. If you have symptoms, contact your healthcare provider or call (530) 225-5591 to access testing in Redding or the Intermountain area. People with or without symptoms can sign up for testing at Shasta College by going to https://lhi.care/covidtesting. Appointments are required.
