CURRENT SITUATION		
Situation Summary:	<ul style="list-style-type: none"> We have 1 new case today. The patient is a woman in her 30s who had symptoms and is not hospitalized. <ul style="list-style-type: none"> Two patients were discharged from the hospital today. Ninety of the 154 cases we've had in Shasta County have been in people under age 50. We encourage people of all ages to do their part to slow the spread of COVID-19 in our community by wearing masks, practicing physical distancing, staying home when sick and washing hands frequently. Shasta County is not one of the 24 counties on the state watch list. Counties that have been on this list for three consecutive days must close indoor services in their restaurants, bars, wineries, movie theaters, family entertainment centers, zoos, museums and card rooms. County staff continue to track this data. Anyone can be tested for COVID-19. If you have symptoms, contact your healthcare provider or call (530) 225-5591 to access testing in Redding or the Intermountain area. People with or without symptoms can sign up for testing at Shasta College. Go to https://lhi.care/covidtesting. Appointments are required.
