CURRENT SITUATION		
Situation Summary:	<ul style="list-style-type: none"> We have 6 new cases today. Three had symptoms and the other three are still under investigation. One is hospitalized. They are a man in his 20s, a woman in her 20s, two women in their 30s, a man in his 40s and a man in his 60s. About the numbers: What's the difference between isolation and quarantine? Isolation is for people who have tested positive for COVID-19. Quarantine is for their close contacts who have been exposed. You can learn more at www.ShastaReady.org – click on “What do isolation and quarantine mean?” Anyone can be tested for COVID-19. If you have symptoms, contact your healthcare provider or call (530) 225-5591 to access testing in Redding or the Intermountain area. People with or without symptoms can sign up for testing at Shasta College. Go to https://lhi.care/covidtesting. Appointments are required.
