CURRENT SITUATION			
Situation Summary:	<ul style="list-style-type: none"> We have seven new cases today. Three had symptoms and none are hospitalized. They are a girl under 13, a boy under 13, two women in their 20s, two men in their 20s, and a woman in her 30s. If you know you have had close contact with someone who tested positive for COVID-19 and have not been contacted by a contact tracer, please self-quarantine for 14 days, monitor yourself for symptoms and consider getting tested. If you do develop symptoms, contact your healthcare provider and get tested. Fever is one of the main symptoms of COVID-19. If you don't have a thermometer in your household, you can purchase them at your nearest pharmacy or drug store. Anyone can be tested for COVID-19. People with or without symptoms can sign up for testing at Shasta College. Go to https://lhi.care/covidtesting. Appointments are required. If you have symptoms, contact your healthcare provider first. If you don't have a healthcare provider, call (530) 225-5591 to access mobile testing in Redding or the Intermountain area.
