CURRENT SITUATION	
<ul style="list-style-type: none"> We had 6 new cases on Wednesday. Five had symptoms and none are hospitalized. They are: <ul style="list-style-type: none"> A teenage boy Three men in their 20s One man and one woman in their 40s We can all do our part to help stop the spread of COVID-19. COVID-19 spreads through the droplets produced when you cough, sneeze or talk, and wearing a face covering helps keep those droplets contained. This helps make sure you don't spread germs to someone else in case you're sick and don't know it. Learn more at ShastaReady.org – click on “Prevention.” Anyone can be tested for COVID-19. Go to ShastaReady.org and click on “Get tested” to find out the best option for you.
