Shasta County remains in the orange (moderate) category of the new four-tier system after the state updated its weekly numbers yesterday. To move forward, a county must meet the next tier's criteria for two consecutive weeks. If a county's metrics worsen for two consecutive weeks, it will be assigned a more restrictive tier. - Anyone can be tested for COVID-19 **and same-day appointments are often available**. Average turnaround time for tests at the Shasta College site last week was 60 hours, or between 2 and 3 days. Go to [ShastaReady.org](http://ShastaReady.org) and click on "Get tested" to find out the best option for you.
