### CURRENT SITUATION

- We had a total of 70 new cases on Friday and Saturday (no case work was done on Sunday). Fifty-eight had symptoms (10 are still unknown) and two are hospitalized. They are:

- One girl and one boy under 13
- Three teenage girls and three teenage boys
- Twelve women and ten men in their 20s
- Eight women and seven men in their 30s
- Two women and three men in their 40s
- Four women and three men in their 50s
- Three women and one man in their 60s
- Five women in their 70s
- One woman and three men in their 80s

- We continue to see more cases from the skilled nursing facility and the college students mentioned last week. It is critically important for people to wear face coverings, practice physical distancing, stay home when sick and wash hands frequently, especially when you live in close proximity to others or work with vulnerable people.
- Anyone can be tested for COVID-19. Some same-day appointments are available for people with and without symptoms. Go to [ShastaReady.org](https://www.ShastaReady.org) and click on "Get tested" to find out the best option for you.
