Negative Tests Sunday and Monday	Negative Tests to Date	Total Tests	Deaths
837	90,710	96,765	54

CURRENT SITUATION

- We had 231 cases on Sunday and Monday, including 98 men, 122 women and 11 people of unknown gender:
 - 10 children under age 13
 - 30 teenagers
 - 48 people in their 20s
 - 42 people in their 30s
 - 35 people in their 40s
 - 22 people in their 50s
 - 19 people in their 60s
 - 15 people in their 70s
 - 3 people in their 80s
 - 3 people over age 89
 - 4 people of unknown age

- We are sorry to have to report a death today. The patient was a man in his 70s.
- Shasta County remains in the purple (“widespread”) tier. Our adjusted case rate increased from 39.8 to 41.6 daily cases per 100,000 residents. The actual case rate is 40.8, but for the first time, it was adjusted up because the county’s per capita testing volume is lower than the state average. Our positivity rate remained at 9.7%. You can find this data and more at www.ShastaReady.org; click “Data and Statistics.”
- Testing is now available in Enterprise, Anderson, Shasta Lake City and South Redding, in addition to Shasta College. Go to www.ShastaReady.org and click on “Get Tested” to [make an appointment](#).
