820	8,400	213,461	228

CURRENT SITUATION

- We had 30 cases Thursday, including 13 men, 16 women and 1 person of unknown gender:
 - 5 children under age 13
 - 1 teenager
 - 10 people in their 20s
 - 4 people in their 30s
 - 1 person in their 40s
 - 2 people in their 50s
 - 3 people in their 60s
 - 1 person in their 70s
 - 2 people in their 80s
 - 1 person over age 89
- We are sorry to report two deaths. They were a man in his 60s and a woman over age 89.
- Pfizer vaccine clinics are now available to ages 12 and up at the Redding Senior Center at 2290 Benton Drive, Redding. Walk-ins are welcome, or make an appointment on www.MyTurn.ca.gov. The clinic is open Friday through Tuesday from 10 a.m. to 7 p.m. (closed daily from 2 to 3 p.m.).
- As Californians get vaccinated, the state is reopening and moving beyond the Blueprint for a Safer Economy. The purple, red, orange and yellow tiers that helped us manage COVID-19 in our counties are on track to end on June 15. While very limited measures will remain, Californians will see life getting back to normal. As such, all sectors listed in the current [Blueprint Activities and Business Tiers Chart](#) may return to usual operations (with the limited exceptions for Mega Events). Employers are subject to the [Cal/OSHA COVID-19 Prevention Emergency Temporary Standards](#), if applicable. As the state continues to monitor COVID-19 and its many variants, CDPH strongly encourages the following general public health recommendations:
 - Everyone should get vaccinated when eligible.
 - Indoor spaces should be well ventilated (i.e., open all windows and doors to increase natural air flow), following current [CDPH and CalOSHA guidance](#).
 - Everyone should sign up for [CA Notify](#) as added protection for themselves and the community to receive alerts when they have been in close contact with someone who tests positive for COVID-19.
