License to Carry a Firearm (CCW)

218.1 PURPOSE AND SCOPE
The Sheriff is given the statutory discretion to issue a license to carry a firearm to residents within the community (Penal Code § 26150; Penal Code 26155). This policy will provide a written process for the application and issuance of such licenses. Pursuant to Penal Code § 26160, this policy shall be made accessible to the public.

218.2 POLICY
The Shasta County Sheriff's Office will fairly and impartially consider all applications to carry firearms in accordance with applicable law and this policy.

218.3 QUALIFIED APPLICANTS
In order to qualify for issuance of a license to carry a firearm, the applicant must meet certain requirements, including:

(a) Be a resident of the County of Shasta County (Penal Code § 26150).
(b) Be at least 21 years of age (Penal Code § 29610).
(c) Fully complete an application that will include substantial personal information. Much of the information in the application may be subject to public access under the Public Records Act.
(d) Be free from criminal convictions that would disqualify the applicant from carrying a firearm. Fingerprints will be required and a complete criminal background check will be conducted.
(e) Be of good moral character (Penal Code § 26150; Penal Code § 26155).
(f) Show good cause for the issuance of the license (Penal Code § 26150).
(g) Pay all associated application fees. The first 20% of the local fee may be collected at the time of the initial application. These fees are set by statute and may not be refunded if the application is denied.
(h) Be free from any psychological conditions that might make the applicant unsuitable for carrying a firearm (Penal Code § 26190).
(i) Complete required training (Penal Code § 26165).

218.4 APPLICATION PROCESS
The application process for a license to carry a firearm shall consist of two phases. Upon the successful completion of each phase, the applicant will advance to the next phase until the process is completed and the license is either issued or denied.

218.4.1 PHASE ONE (TO BE COMPLETED BY ALL APPLICANTS)
(a) Any individual applying for a license to carry a firearm shall first fully complete a California Department of Justice (DOJ) application to be signed under penalty of perjury. Any applicant who provides false information or statements on the application will be removed from further consideration and may be prosecuted for a criminal offense (Penal Code § 26180).
1. In the event of any discrepancies in the application or background investigation, the applicant may be required to clarify information for the Sheriff or authorized designee, for interpretation of the information (Penal Code Section 26175(a)).

2. If an incomplete application package is received, the Sheriff or authorized designee may do any of the following:
   (a) Require the applicant to complete the package before any further processing.
   (b) Advance the incomplete package to phase two for conditional processing pending completion of all mandatory conditions.
   (c) Issue a denial if the materials submitted at the time demonstrate that the applicant would not qualify for a license to carry a firearm even if the package was completed (e.g., not a resident, disqualifying criminal conviction, absence of good cause).

(b) At the time the completed application is submitted, the applicant shall submit a check made payable to the Shasta County Sheriff's Office for the required Department application fee.
   1. Additional fees may be required for fingerprinting, training or psychological testing, in addition to the application fee.
   2. Full payment of the remainder of the application fee will be required upon issuance of a license.
   3. Payment of related fees may be waived if the applicant is a duly appointed reserve peace officer as defined in Penal Code § 830.6 (a) or (b) (Penal Code § 26170).

(c) The applicant shall be required to submit to fingerprinting and a complete criminal background check by the California DOJ. No person determined to fall within a prohibited class described in Penal Code § 29800, Penal Code § 29900, Welfare and Institutions Code § 8100 or Welfare and Institutions Code § 8103 will be issued a license to carry a firearm. A license shall not be issued if the California DOJ determines that the applicant is prohibited by state or federal law from possessing, receiving, owning or purchasing a firearm (Penal Code § 26195).

Once the Sheriff or authorized designee has reviewed the completed application package and relevant background information, the application will either be advanced to phase two or denied.

In the event that an application is denied at the conclusion of, or during, phase one, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

218.4.2 PHASE TWO
This phase is to be completed only by those applicants successfully completing phase one.

(a) Upon successful completion of phase one, the applicant shall be scheduled for a personal interview with the Sheriff or authorized designee. Scheduling may be made by phone or letter. During this stage, there will be further discussion, for clarification of information or for interpretation of the applicant's statement of good cause and any potential restrictions or conditions that might be placed on the license.
1. The determination of good cause should consider the totality of circumstances in each individual case.

2. Any denial for lack of good cause should be rational, articulable and not arbitrary in nature.

3. The Department will provide written notice to the applicant as to the determination of good cause (Penal Code § 26202).

(b) The Sheriff may, based upon criteria established by the Sheriff, require that the applicant be referred to an authorized psychologist used by the Department for psychological testing. The criteria is as follows, but is not limited to:

1. Persons who may have or have had a mental illness or disorder;
2. Persons who have been voluntary or involuntary patients of a mental facility;
3. Persons who are or have been under the care or treatment of a psychologist, psychiatrist, or psychotherapist;
4. Persons who may have or have been treated for stress disorders;
5. Persons who may have or have had suicidal ideations or attempts; or
6. Persons who are or have been treated for clinical depressions, anger, alcoholism, or impulsive disorders.

(c) The cost of such psychological testing (not to exceed $150) shall be paid by the applicant. The purpose of any such psychological testing is intended only to identify any outward indications or history of psychological problems that might render the applicant unfit to carry a firearm. This testing is not intended to certify in any other respect that the applicant is psychologically fit. If it is determined that the applicant is not a suitable candidate for carrying a firearm, the applicant shall be removed from further consideration (Penal Code § 26190).

(d) The applicant shall complete a course of training approved by the agency, which complies with Penal Code § 26165. The applicant will not be required to complete and pay for any training courses prior to any determination of good cause (Penal Code § 26165; Penal Code § 26202).

(e) The Sheriff reserves the right to deny any firearm to be listed on the license that has been altered to make it illegal or unsafe.

Once the Sheriff or authorized designee has verified the successful completion of phase two, the license to carry a firearm will either be granted or denied.

Whether an application is approved or denied at the conclusion of or during phase two, the applicant shall be notified in writing within 90 days of the initial application or within 30 days after receipt of the applicant's criminal background check from the California DOJ, whichever is later. If the license is denied, the notice shall state which requirement was not satisfied (Penal Code § 26205).

Full payment of the remainder of the application fee will be required upon issuance of the license.

218.5 LIMITED BUSINESS LICENSE TO CARRY A CONCEALED FIREARM

The authority to issue a limited business license to carry a concealed firearm to a non-resident applicant is granted only to the Sheriff of the county in which the applicant...

(b) Such a license will be valid for a period not to exceed 90 days from the date of issuance (Penal Code § 26220).

(c) The applicant shall provide a copy of the license to the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

(d) Any application for renewal or reissuance of such a license may be granted only upon concurrence of the original issuing authority and the licensing authority of the city or county in which the applicant resides (Penal Code § 26220).

(c) The license will be subject to any and all reasonable restrictions or conditions the Sheriff has deemed warranted, including restrictions as to the time, place, manner and circumstances under which the person may carry the firearm.

   1. All such restrictions or conditions shall be conspicuously noted on any license issued (Penal Code § 26200).

(d) The license may be laminated and/or may bear a photograph of the licensee with the expiration date, type of firearm, restrictions and other pertinent information clearly visible.

   2. A license issued to any reserve peace officer as defined in Penal Code § 830.6(a) or (b), or a custodial officer employed by the Sheriff as provided in Penal Code § 831.5 will be valid for a period not to exceed four years, except that such license shall be invalid upon the individual’s conclusion of service as a reserve officer.

(f) If the licensee’s place of residence was the basis for issuance of a license and the licensee permanently moves out of the county of issuance, the license shall expire 90 days after the licensee has moved (Penal Code § 26210).

In the event that any amendment to a valid license is approved by the Sheriff, a new license will be issued reflecting the amendment. An amendment to any license will not serve to extend the original expiration date and an application for an amendment will not constitute an application for renewal of the license.

(e) If the license is one to carry "loaded and exposed," the license shall be revoked immediately upon a change of the licensee's place of residence to another county (Penal Code § 26210).

(f) As a result of an incident or matter involving the licensee, the Sheriff or designee may have the licensee surrender their license to the Sheriff's Office pending a review and/or investigation of the incident or matter.
