You will need to sign a release at the funeral home, which will authorize the release of your loved one to the funeral home from the Coroner's Office.

Death Certificates can be obtained through your funeral home. For additional certificates, contact the County Health Department at (530) 225-5063. The County Health Department charges \$21.00 for each death certificate.

The Shasta County Board of Supervisors has instituted a \$100.00 fee for the removal and transportation of your loved ones remains. This fee can be paid to the Shasta County Coroner's Office. A morgue storage fee of \$50.00 will be applied per day if a signed release is not completed.
