RFQ 21-25 – Hazardous Tree Removal Services

	QUESTION	ANSWER	Response
1.	Will there be a site visit/meeting for this project?	<p>The sites for this project will be in Shasta County on residential properties impacted by the fires. The purpose of this RFI is to generate a list of qualified contractors that Shasta County can use to connect homeowners with contractors. Being placed on the qualified list provides an opportunity for work but does not guarantee work.</p> <p>Prior to accepting any work, Contractors will have an opportunity to visit each site and provide a quote for the work.</p>	Posted to Public Purchase and County website on 4/23/2021
2.	Would it be possible to acquire mapping of the anticipated service area?	The sites for this project will be in Shasta County on residential properties impacted by the fires. We will only be assisting homeowners who had damage from the disaster designation DR-4382.	Posted to Public Purchase and County website on 4/23/2021
