I. OVERVIEW

The County of Shasta, through its Department of Support Services, Purchasing Unit, invites responses to a Request for Quotes to provide individual counseling services to youth in the Juvenile Rehabilitation Facility.

A. Background and Purpose

This RFQ seeks to identify organizations and individuals that can provide Individual Cognitive Behavioral Therapy (CBT) and/or Motivational Enhancement Therapy (MET) and/or trauma-informed treatment/suicide prevention, and general counseling services to minors detained at the Juvenile Rehabilitation Facility.

The purpose and measured outcomes will be to: support youth with mental health and co-occurring symptoms; teach youth how emotions, behaviors, and thoughts are interconnected and to identify and correct problematic thinking and emotions; improve impulse controls, judgement and problem solving, stress management, dealing with anger, and enhancing self-esteem; reduce recidivism; and assist juvenile offenders to reintegrate back into our community successfully.

B. Funding

Funding for this service comes from the Shasta County Probation Department’s budget. The anticipated funding period for a contract will be from the date of signing through June 30, 2020. Should funding continue to be available, at the discretion of the County, the contract may be extended for up to two additional one-year terms.

C. Populations to be Served

The population to be served are male and female youth detained at the Juvenile Rehabilitation Facility. These residents are in need of individual CBT/MET/trauma-informed treatment/suicide prevention and general counseling services provided by Responders working within Shasta County to identify and address criminogenic needs and develop protective factors.

II. SCOPE OF WORK

Responders must possess and maintain a working knowledge of the current best practices in the field of at-risk youth and offender supervision and a comprehensive understanding of the issues related to recidivism. Responders must also maintain professional relationships with
law enforcement and other Shasta County community-based offender rehabilitation organizations and programs.

Responders must have a demonstrated history of providing successful CBT/MET/trauma-informed treatment/suicide prevention and/or general counseling services to youth for at least two years that are evidence-based or based on best practices.

Responders must:

1. Provide evidence-based/best practice individual CBT/MET/trauma-informed treatment/suicide prevention and/or general counseling to residents;

2. Ensure that staff and volunteers interacting with residents complete fingerprinting, background check, and confidentiality training prior to providing services;

3. Ensure that staff and volunteers interacting with residents exhibit professional, ethical, and appropriate behavior while providing services. Staff and volunteers who interact with offenders must be approved by the Chief Probation Officer or his/her designee.

III. CONTRACT INFORMATION

If the County chooses to fund and proceed with the individual CBT and general counseling services, it will enter into a Contract with the selected Responder. The County intends to use its standard Personal Services Agreement (PSA), attached to this RFP as ATTACHMENT C as a template for the Contract. Certain terms of the County’s standard PSA template are subject to negation and completion once the successful Responder(s) is/are selected. The County may, in its sole discretion, agree to modify a term that is otherwise not subject to negotiation.

Upon negotiation of the contract, the chosen responder must agree to receive electronic payments, and will required to complete the ACH/Direct Deposit Authorization form, attached as Exhibit B to this RFP.

The Contract will be for an initial term from date of signing to June 201, 2020, with two automatic one-year renewals. Exercise of the option to extend the term of the Contract will be based on continued funding, the results of an evaluation of the services provided, and the County’s subjective satisfaction with the Contractor’s performance.
IV. RFQ PROCESS, QUOTE FORMAT & GENERAL INFORMATION

A. Mandatory Responders’ Conference

Those intending to submit a Quote are required to attend the Responders’ Conference described herein. Only those Responders who attend the Responders’ Conference will have their Quote considered.

Answers will be sent via email to the individual who asked the question, and shall be posted on the County Competitive Procurements web page. The County will not respond to any questions submitted after the Question Deadline stated on this RFQ.

Any Responder who attempts to influence the RFQ process by interfering or colluding with other Responders and/or with any County officer, employee, or agent; or who deviates from the RFQ process as set forth in the requirements, or terms and conditions of the RFQ, may be disqualified at any time from further participation in the RFQ process.

TERMS AND CONDITIONS OF REQUESTS FOR QUOTES

The following terms and conditions (the “Terms and Conditions”) apply to solicitations by the County of Shasta, Department of Support Services, Purchasing Unit (“County”), for Requests for Quotes (an “RFQ”).

For the purposes of these Terms and Conditions, an RFQ is an invitation by the County for the provision of particular service(s) or product(s), including the price thereof, meeting specific criteria. The primary focus of an RFQ is upon the price a person/entity submitting a response (the “Responder”) proposes to charge for the particular service or product the County desires. While the price is a primary factor, it is not the only factor and the County is not required to enter into a contract/agreement with the particular Responder who submits the lowest price.

1. **RESPONSES TO RFQ’s**

   Responses to RFQ’s (“Responses”), modifications, and requests for withdrawal thereof, received after the deadline for receipt of the Response will not be considered. Telephoned Responses or those sent by facsimile (“FAX”) or email will not be accepted.

   Responses shall be written in ink, typewritten, or written using a word processing program/printer. Prior to submitting a Response, mistakes may be crossed out and corrections inserted adjacent thereto and must be initialed in ink by the person signing the Response.

   Prices proposed in an RFQ shall include all costs of packing and of transportation to the delivery point or points indicated in the RFQ, including applicable sales and use taxes, unless otherwise specified. Unless stated otherwise in the RFQ, a Response may be tendered for any item or group of items, or portion thereof, of the service(s) or product(s) specified in the RFQ. Unit prices, a total price for each group of units, and a grand total may also be provided in the Response, depending upon the specifications of the RFQ. In case of a conflict between a unit price and the total price(s), or the grand total, the unit price, multiplied by the number of units to be provided, will govern. Unless stated otherwise in the RFQ, a Response may be tendered for any one service or one product, or group of services or products, or portion thereof, of the service(s) or product(s) specified in the RFQ, or for all the services or products sought by the County.

   When a particular brand or make of a product is specified in an RFQ, an "equal" brand or make will be considered by the County. However, in such cases, the Responder must establish that the alternate brand or make is equal to or better than the specified brand or
make, and indicate the brand name, model, and catalog number of each item listed as an alternative. Unless otherwise indicated in the Response, the brand or make specified in the RFQ shall be furnished if the RFQ is accepted by the County and a contract/agreement between the Responder and the County is executed.

The time, date, and location for delivery of the service(s) or product(s) shall be as specified in the RFQ or the contract/agreement between the Responder and the County. Delivery time, if stated in days, includes Saturdays, Sundays, and holidays. Responder may propose in the Response alternate times, dates, and locations for delivery of the service(s) or product(s) for the County’s consideration.

Samples of products, when required by the specifications of the RFQ, must be submitted within the time specified and at no expense to the County. If not destroyed by testing, or if not required for the purpose of inspecting deliveries during the term of the contract/agreement between the Responder and the County, samples will be returned to the Responder at the County's expense.

The services and products described in a Response must conform to the safety orders of the State of California, Division of Industrial Safety and with all applicable federal, state, and local laws, ordinances, regulations, rules and policies. Only current product models as offered by manufacturers will be accepted. All products offered must be new and unused unless otherwise specified in the RFQ.

2. EVALUATION AND SELECTION PROCESS

Unless otherwise stated in the specifications for the RFQ, an evaluation panel, made up of persons selected by the Shasta County Director of Support Services (or designee), will review and rank each response. Reviewed and ranked criteria may include but are not limited to:

1. The price identified for the service(s) or product(s). (25)
2. The clarity, conciseness, and completeness of the response. (15)
3. Demonstrated ability to deliver service and provide data. (30)
4. Responder’s Background and Experience in Performing Similar Projects. (30)

After the evaluation panel has ranked the Responders, the County may enter into negotiations with the top ranked Responder regarding the terms and conditions of a contract for the provision of the requested service(s) and product(s); or the County may, in its sole discretion, elect to reject all submitted Responses and terminate the RFQ process.
If an agreement to enter into a Contract cannot be reached with the highest ranked Responder, then the negotiations with that Responder will be terminated. Negotiations will then be opened with the next ranked Responder and the process repeated, or the County may elect to reject all submitted Proposals. In any event, once negotiations with a particular Responder are terminated, the County will not reopen negotiations with that Responder.

3. **RESERVATIONS**

Notwithstanding any other provisions, the County reserves the right, in its sole discretion, to accept or reject any or all Responses, or any part thereof; to reject any Response for failure to submit the Response in conformity with the requirements of the RFQ and these Terms and Conditions; and to waive informalities and irregularities in a Response, if deemed to be in the best interest of the County. The County reserves the right to cancel this RFQ process at any time.

In addition, the County reserves the right to waive any deviations from the requirements or specifications of an RFQ that are included in any Response.

Solicitation of an RFQ does not commit the County to finalize any contract/agreement with a particular Responder, to pay any costs associated with the preparation of any Response, and/or to enter into a contract/agreement with the Responder submitting the least costly Response. The County reserves the right to enter into negotiations with, and to finalize a contract and its terms with, the Responder that, in the sole discretion of the County, submits the Response that is in the best interests of the County.

4. **VALID CONTRACT**

Receipt of an Official Purchase Order of the County of Shasta covering the supplies, materials, equipment, or services as described in the Response to an RFQ will indicate acceptance of the Response and will constitute a contract to purchase (unless a separate contract or agreement is otherwise entered into between the Responder and the County).

5. **DISQUALIFICATION**

Unless a Responder provides all the information requested in the RFQ, the Response may, at the sole discretion of the County, be disregarded and given no consideration. Any Responder who attempts to influence the RFQ process by interfering or colluding with other Responders and/or with any County officer, employee, or agent; or who deviates from the RFQ process as set forth in the requirements of the RFQ and/or in these Terms and Conditions, may be disqualified at any time from further participation in the RFQ process.
Responders are specifically directed not to contact any person other than the designated County contact person listed in this RFQ for meetings, conferences, information, or technical discussions related to this RFQ. Failure to comply with the preceding sentence may result in a Responder being disqualified from this RFQ process. No questions regarding this RFQ will be answered by other County staff. The RFQ process shall extend until the date stated on the County’s written notice of intent to award a contract or the date stated on the County’s written notice of cancellation of the RFQ process that will be issued to Responders.

6. **RETENTION OF RESPONSES/PUBLIC RECORD**

All Responses shall become the sole property of the County. The County reserves the right to use any ideas in a Response regardless of whether that Responder is selected to enter into a contract/agreement with the County. At such time as a Responder is selected and a contract/agreement is finally negotiated, all Responses and related documents become a matter of public record, with the exception of those parts of each Response which are clearly designated by the Responder as business or trade secrets and marked as “confidential” or “proprietary.” The County, however, shall not in any way be liable or responsible in connection with the County’s disclosure of any Response or any part thereof, if disclosure is required by the California Public Records Act (Gov. Code, §6250 et seq.) or pursuant to law or legal process. By submitting a Response, the Responder agrees to save, defend, keep, hold harmless, and fully indemnify the County of Shasta, its elected officials, officers, employees, agents, and volunteers from all damages, claims for damages, costs, or expenses, whether in law or in equity, that may at any time arise for not disclosing a business or trade secret pursuant to the California Public Records Act.

7. **PROTESTS**

The County will consider any protest or objection regarding the award of a contract/agreement pursuant to the RFQ, provided that it is submitted in writing and received by the County contact person listed in this RFQ within 10 calendar days of the date stated on the County’s written notice of intent to award a contract issued to Responders. Mailed objections not received before the deadline will not be considered, even if postmarked before the deadline. The County’s determination with respect to any protest shall be in the County’s sole discretion and shall be final and conclusive.

8. **COMPLIANCE WITH REQUIREMENTS OF RFQ**

Any Responder submitting a Response to an RFQ understands and agrees that his/her/its submitted Response shall constitute acknowledgment and acceptance of, and intent to comply with, all these Terms and Conditions and the requirements of the RFQ. The
determination of the compliance with these Terms and Conditions and the requirements of the RFQ shall be in the County’s sole judgment and shall be final and conclusive.

9. **COUNTY NOT RESPONSIBLE FOR COSTS OF PREPARATION**

The County shall not be liable for any costs of work performed in the preparation and production of a Response, or for any work performed prior to the formal execution of a contract/agreement between a Responder and the County. By submitting a Response, the Responder agrees not to make any claims for, or have any right to, damages because of any misunderstanding or misrepresentation of these Terms and Conditions and the requirements of the RFQ, or because of any misinformation or lack of information.

In no event shall the maximum amount payable under this agreement exceed $(DOLLAR AMOUNT).]

C. Consultant’s violation or breach of agreement terms may result in fiscal penalties, withholding of compensation, or termination of agreement.

[If applicable, add the following and edit:]

[Prorated payment. If the term begins (or ends) on other than the first (or last) day of the calendar month, the payment for the partial month shall be prorated on a per diem basis based upon the number of days of access/services during the month.]

[If the agreement term is longer than one year, or crosses County fiscal years, delete the above sentence and substitute:]
Section 6. TERMINATION OF AGREEMENT.

A. If Consultant materially fails to perform Consultant’s responsibilities under this agreement to the satisfaction of County, or if Consultant fails to fulfill in a timely and professional manner Consultant’s responsibilities under this agreement, or if Consultant violates any of the terms or provisions of this agreement, then County shall have the right to terminate this agreement for cause effective immediately upon the County giving written notice thereof to Consultant. If termination for cause is given by County to Consultant and it is later determined that Consultant was not in default or the default was excusable, then the notice of termination shall be deemed to have been given without cause pursuant to paragraph B of this section.

B. County may terminate this agreement without cause on <KEYBOARD 12> days written notice to Consultant.

C. County may terminate this agreement immediately upon oral notice should funding cease or be materially decreased during the term of this agreement.

D. County’s right to terminate this agreement may be exercised by [KEYBOARD <13>].
E. Should this agreement be terminated, Consultant shall promptly provide to County any and all finished and unfinished reports, data, studies, photographs, charts, and other documents prepared by Consultant pursuant to this agreement.

F. If this agreement is terminated, Consultant shall only be paid for services satisfactorily completed and provided prior to the effective date of termination.

Section 7. ENTIRE AGREEMENT; AMENDMENTS; HEADINGS; EXHIBITS/APPENDICES.

A. This agreement supersedes all previous agreements relating to the subject of this agreement and constitutes the entire understanding of the Parties hereto. Consultant shall be entitled to no other benefits other than those specified herein. Consultant specifically acknowledges that in entering into and executing this agreement, Consultant relies solely upon the provisions contained in this agreement and no others.

B. No changes, amendments, or alterations to this agreement shall be effective unless in writing and signed by both Parties. However, minor amendments, including retroactive, that do not result in a substantial or functional change to the original intent of this agreement and do not cause an increase to the maximum amount payable under this agreement may be agreed to in writing between Consultant and [KEYBOARD <14>], provided that the amendment is in substantially the same format as the County’s standard format amendment contained in the Shasta County Contracts Manual (Administrative Policy 6-101).

C. The headings that appear in this agreement are for reference purposes only and shall not affect the meaning or construction of this agreement.

D. If any ambiguity, inconsistency, or conflict exists or arises between the provisions of this agreement and the provisions of any of this agreement’s exhibits or appendices, the provisions of this agreement shall govern.

Section 8. NONASSIGNMENT OF AGREEMENT; NON-WAIVER.

Inasmuch as this agreement is intended to secure the specialized services of Consultant, Consultant may not assign, transfer, delegate, or sublet any interest herein without the prior written consent of County. The waiver by County of any breach of any requirement of this agreement shall not be deemed to be a waiver of any other breach.

Section 9. EMPLOYMENT STATUS OF CONSULTANT.

[If Consultant is determined pursuant to section 5.5 of Policy 6-101 to be an independent contractor, insert the following:]

A. Consultant shall, during the entire term of this agreement, be construed to be an independent contractor, and nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Consultant performs the work or services that are the subject matter of this agreement; provided, however, that the work or services to be provided by Consultant shall be provided in a
manner consistent with the professional standards applicable to such work or services. The sole interest of County is to insure that the work or services shall be rendered and performed in a competent, efficient, and satisfactory manner. Consultant shall be fully responsible for payment of all taxes due to the State of California or the federal government that would be withheld from compensation if Consultant were a County employee. County shall not be liable for deductions for any amount for any purpose from Consultant’s compensation. Consultant shall not be eligible for coverage under County’s workers’ compensation insurance plan nor shall Consultant be eligible for any other County benefit. Consultant must issue W-2 and 941 Forms for income and employment tax purposes, for all of Consultant’s assigned personnel under the terms and conditions of this agreement.

[If Consultant does not qualify as an independent contractor for tax purposes per section 5.5, use the following instead of the foregoing:]

B. Consultant shall, during the entire term of this agreement, be construed to be an independent contractor. Nothing in this agreement is intended nor shall be construed to create an employer-employee relationship, a joint venture relationship, or to allow County to exercise discretion or control over the professional manner in which Consultant performs the work or services that are the subject matter of this agreement; provided, however, that the work or services to be provided by Consultant shall be provided in a manner consistent with the professional standards applicable to such work or services. The sole interest of County is to insure that the work or services shall be rendered and performed in a competent, efficient, and satisfactory manner. Consultant shall not be eligible for coverage under County’s workers’ compensation insurance plan nor shall Consultant be eligible for any other County benefit. Notwithstanding Consultant’s status as an independent contractor, County shall withhold from payments made to Consultant such sums as are required to be withheld from employees by the Federal Internal Revenue Code, the Federal Insurance Compensation Act, the State Personal Income Tax Law, and the State Unemployment Insurance Code; provided, however, that said withholding is for the purpose of avoiding County’s liability under said laws and does not abrogate Consultant’s status as an independent contractor as described in this agreement.

[If Consultant is an out-of-state independent contractor, add:]

C. County shall withhold seven percent of all income paid to Consultant under this agreement for payment and reporting to the California Franchise Tax Board because Consultant does not qualify as: (1) a corporation with its principal place of business in California, (2) a partnership with a permanent place of business in California, (3) a corporation qualified to do business in California by the Secretary of State, or (4) an individual with a permanent residence in the State of California.

Section 10. INDEMNIFICATION.

A. To the fullest extent permitted by law, Consultant shall indemnify and hold harmless County, its elected officials, officers, employees, agents, and volunteers against all claims, suits, actions, costs, expenses (including, but not limited to, reasonable attorney’s fees of
County Counsel and counsel retained by County, expert fees, litigation costs, and investigation costs), damages, judgments, or decrees arising from the work or the provision of services undertaken pursuant to this agreement by Consultant, or by any of Consultant’s subcontractors, any person employed under Consultant, or under any subcontractor, or in any capacity, except when the injury or loss is caused by the sole negligence or intentional wrongdoing of County. Consultant shall also, at Consultant’s own expense, defend the County, its elected officials, officers, employees, agents, and volunteers, against any claim, suit, action, or proceeding brought against County, its elected officials, officers, employees, agents, and volunteers, arising from the work or the provision of services undertaken pursuant to this agreement by Consultant, or any of Consultant’s subcontractors, any person employed under Consultant, or under any Subcontractor, or in any capacity. Consultant shall also defend and indemnify County for any adverse determination made by the Internal Revenue Service or the State Franchise Tax Board and/or any other taxing or regulatory agency and shall defend, indemnify, and hold harmless County with respect to Consultant’s “independent contractor” status that would establish a liability on County for failure to make social security deductions or contributions or income tax withholding payments, or any other legally mandated payment. The provisions of this paragraph are intended to be interpreted as broadly as permitted by applicable law. This provision shall survive the termination, expiration, or cancellation of this agreement.

[For any contract where a design professional, as that term is defined in Civil Code Section 2782.8, is being contracted with, add the following paragraph:]

B. For professional services provided under this agreement [or contract], Consultant shall indemnify, defend, and hold harmless County, its elected officials, officers, employees, agents, and volunteers from and against any and all claims, demands, actions, losses, liabilities, damage, and costs, including reasonable attorneys’ fees, arising out of or resulting from the negligent performance of the professional services provided under this agreement [or contract]. Consultant shall also, at Consultant’s own expense, defend the County against any suit or action brought against County founded upon any claim, action or proceeding which is based upon the work or the provision of services undertaken pursuant to this agreement. The words “professional services” shall be interpreted as defined in Civil Code section 2782.8, as it may be amended from time to time. The provisions of this paragraph are intended to be interpreted as broadly as permitted by applicable law.

[KEYBOARD <15>]

Section 11. INSURANCE COVERAGE.

A. Without limiting Consultant’s duties of defense and indemnification, Consultant and any subcontractor shall obtain, from an insurance carrier authorized to transact business in the State of California, and maintain continuously during the term of this agreement Commercial General Liability Insurance, including coverage for owned and non-owned automobiles, and other coverage necessary to protect County and the public with limits of liability of not less than $1 million per occurrence; such insurance shall be primary as to any other insurance maintained by County.
B. Consultant and any subcontractor shall obtain and maintain continuously required Workers’ Compensation and Employer's Liability Insurance to cover Consultant, subcontractor, Consultant's partner(s), subcontractor's partner(s), Consultant's employees, and subcontractor's employees with an insurance carrier authorized to transact business in the State of California covering the full liability for compensation for injury to those employed by Consultant or subcontractor. Each such policy shall be endorsed to state that the Workers’ Compensation carrier waives its right of subrogation against County, its elected officials, officers, employees, agents, and volunteers which might arise in connection with this agreement. In lieu of maintaining post-agreement expiration coverage as specified above, Consultant or subcontractor may satisfy this provision by purchasing tail coverage for the claims-made policy. b. Separately to each suit insured against whom a claim is made or suit is brought.”

(5) Consultant shall provide County with an endorsement or amendment to Consultant’s policy of insurance as evidence of insurance protection before the effective date of this agreement.

(6) The insurance coverage required herein shall be in effect at all times during the term of this agreement. In the event any insurance coverage expires at any time during the term of this agreement, Consultant shall provide County, at least 20 days prior to said expiration date, a new endorsement or policy amendment evidencing insurance coverage as provided for herein for not less than the remainder of the term of this agreement or for a period of not less than one year. In the event Consultant fails to keep in effect at all times insurance coverage as herein provided and a renewal endorsement or policy amendment is not provided within 10 days of the expiration of the endorsement or policy amendment in effect at inception of this agreement, County may, in addition to any other remedies it may have, terminate this agreement upon the occurrence of such event.

(7) If the endorsement or amendment does not reflect the limits of liability provided by the policy of insurance, Consultant shall provide County a certificate of insurance reflecting those limits.
